CARVER
Still the nicest touch in boating.

FEATURING FIVE NEW EXCITING MODELS
A lot of boat companies try to be everything to everybody. They build fishing boats at one plant. Pinstriped runabouts at another. Some even build their own engines.

But not Carver.

For over 35 years we've stayed committed to the same design philosophy. Because when you dedicate your resources to doing one thing very well, you become good at it. For Carver, that means building comfortable and reliable cruising boats.

**People-Engineered.**

**Our Blueprint To Comfort.**

How do you build boats people enjoy being on? It starts with a common design objective that puts accommodating people's needs first. Of course, those are just words. But in the case of Carver, you can see it applied in one boat design after another. It's our blueprint to your comfort.

Need proof? Ask Carver owners what they think of the open-concept interiors in our motor yachts and sport cruisers, and how those luxurious interiors help bring their friends and families together.

Then, take a look at how ingeniously we've combined comfort and function with the aft decks on our aft cabin motor yachts, and created the ideal spot for entertaining.

Most hulls today are built using the proven hand-laid fiberglass method. The key is, not how many layers of fiberglass are put down, but the engineering and quality control behind the process.

The Carver hull routinely goes through a series of rigid checks during manufacture, which ensures its strength and proper weight-to-strength ratio.

A Tradition Of Perfection.

The craftsman or technician with over twenty years of service is not a rarity at Carver. This type of longevity and the fact that we maintain our own Wood, Upholstery and Welding Shops helps us to maintain even greater control over the workmanship that goes into all of our products.

If you're ready to move up to a sport cruiser with sleeping accommodations. If your family desires the room and comfort that only a Carver can give them. If you want to own proven quality, then it's time to consider a Carver.

We build comfortable cruising boats people enjoy being on.
Step aboard this new Carver and enjoy the fun in a roomy cockpit that's perfect for fishing, swimming, and all sorts of water sports. You'll find the 43 has just what you need for cruising with family or guests. Comfortable bridge seating, foredeck sun lounge, and roomy aft deck let you enjoy the outdoors. Overnight accommodations for seven include two private state rooms offering large, comfortable berths, a convertible dinette, and a plush sofa.

Aft Cabin Motor Yacht

The clean traditional styling of this motor yacht captures everyone's attention. Two luxuriously appointed private staterooms, each with its own head compartment and shower, make cruising and living aboard a pure pleasure. Hand-finished teak woodwork, along with a choice of color schemes and fabrics, provide a plush individualized interior. Exquisite dining is easy with a fully equipped galley and dinette.

### Aft Cabin

The new 28 Aft Cabin, with its wide beam and private aft stateroom, offers more cruising amenities than you'd expect on a boat this size. Lots of large forward windows make the roomy salon bright and cheerful. Meals and snacks are simple to prepare in the fully equipped galley. A convertible dinette and sleeper sofa offer room to relax, plus extra sleeping accommodations.

### Mariner

Boating writers like to call the 32 Mariner one of the finest party boats around. And for good reason. Its spacious bridge provides a comfortable all-weather command center and is accessible from the main cabin or cockpit. The single-level floor plan includes a huge salon with seating for eight, an owner’s stateroom with large double berth and private entrance to the roomy head compartment.

**Fully equipped galley makes it a breeze to prepare meals and serve them.**
32 Convertible Command Bridge

Offshore fishing or cruising with friends or family, the 32 Convertible does it all. There are plush cruising accommodations for six adults, with twin private staterooms and convertible dinette/lounge. Other amenities include a spacious salon with wet bar, and separate stall shower in the head compartment. The 56 sq. ft. self-bailing cockpit with transom door is great for fishing, swimming and diving.

28 Command Bridge

NEW!

The new 28 Command Bridge offers roomy interior comfort combined with traditional bridge styling. The wide beam and large salon windows provide an open, spacious cabin with a well-equipped galley and enclosed head compartment offering plenty of home-like conveniences. Bridge seating that converts to a comfortable sun lounge, a roomy cockpit and choice of two floorplans make the Command Bridge ideal for all types of cruising adventures.

Mid cabin offers storage and hanging locker space.

Fully equipped galley offers a full complement of appliances.

V-berth available with lower station helm.

Midship offers the luxury of a larger head compartment, complete with stall shower.
For an enjoyable cruise, the new 26 Command Bridge offers wide-body stability and comfort in a traditional bridge-style boat. Plenty of amenities have been included for your convenience. An enclosed head compartment with shower, fully equipped galley and optional lower helm are just a few. The forward sleeping compartment features a double berth. A convertible dinette and sofa bring overnight accommodations to five.

A fully equipped galley is perfect for preparing meals and snacks.

**528 Montego**

An extra-wide 9'6" beam gives the 528 plenty of interior space, as well as performance stability. This sharp looking Montego features sleeping room for four with a double berth in the private midship compartment and a convertible dinette. The galley offers a recessed alcohol stove and ice chest. In addition, most of the features boaters desire are standard, giving the 528 even greater value.

**specifications**

- LOA (w/platform):
  - 32'7"
Our most valued asset is satisfied Carver owners. Because satisfied owners show confidence in Carver and tell others about our high standards of quality and performance.

We're so confident that your new Carver will give you the service and satisfaction you expect, that we're backing it with our word and The Carver Confidence Protection Plan.

In addition to the one-year limited warranty on all new Carvers, each new Carver is backed by a transferable five-year limited warranty on the hull structure.

For detailed information on any Carver cruiser or motor yacht, or to arrange your personal tour of our facilities, call toll free 800/558-8190 (Wisconsin 800/242-4546; Canada 800/351-0644). Or write Carver Boat Corporation, Industrial Drive, Pultaski, Wisconsin 54462.

Carver dealers are located throughout the United States, Canada, Europe, Japan, Hong Kong and Australia. Manufacturing facilities are located in Pultaski, Wisconsin and Rocky Point, North Carolina.

This catalog contains accurate information at time of printing. Carver Boat Corporation reserves the right to change without notice price, color, materials, equipment specifications or models. Models may also be discontinued without obligation to previous purchasers. Pictured models may include optional equipment. All Carver yachts and cruisers carry a limited warranty. See your dealer for current specifications.
