GET READY FOR A NEW GENERATION OF FUN AND EXCITEMENT.

The Carver 310 Express Cruiser. This quick and beautiful new cruiser is now the largest mid-cabin cruiser in our sport cruiser line, offering plenty of living space for family and friends and great new looks and styling. The Carver 310 has all the right ingredients to become the hottest new express cruiser for '95.

Another important change has been taking place in our product line as well. The sporty 310 Santiago with a flying bridge is now offered with twin inboard propulsion. And the cabin of the 370 Voyager has been redesigned to include the convenience of full-size appliances.

The meticulous care that goes into building Carver yachts enables us to offer the support of one of the strongest warranties in the industry: the Carver Confidence Protection Plan. In addition to our comprehensive one-year limited warranty, this plan provides a five-year limited warranty on the hull structure and two-year protection against blistering of the hull laminates.

For over forty years we've been building motor yachts designed around the needs of boaters. Today, our luxury motor yachts and cruisers are well-known for delivering comfort and liveability to their owners. In fact, in independent owner surveys, Carver repeatedly earns high ratings for overall customer satisfaction, which attests to the fact that Carver is the yacht of choice for all kinds of family cruising.
With all the privacy and luxury the 440 Aft Cabin has to offer, you'll feel completely comfortable with your family on board, or inviting another couple for an extended cruise. Two luxurious staterooms, each with their own head compartment with stall shower, are spacious, open salons with entertainment center, help provide the maximum in live-aboard cruising enjoyment. And don't forget the entertainment-ready aft deck with an enclosure for protection from the weather. The standard "wing doors" enclose forward sides of the aft deck. For an interior that suits your individual style, choose our rich, hand-finished teak or optional maple woodwork. Plus, there's an array of available comfort options that add even more to the convenience, on-board living style of the 440, including built-in washer and dryer, dishwashers, central vacuum, zone air conditioning and trash compactor.

if you're looking for a motor yacht with lots of features designed to make life on the water simply more fun, take a look at the 370 Aft Cabin. We've added a transom staircase designed for easy access to the aft deck and cabin. The roofy aft deck features an optional enclosure and wing doors that protect you from the weather, and there's lots of seating and storage on the bridge. An inviting array of amenities are included belowdecks for your comfort and privacy, including two rooftop staterooms and two complete head compartments with showers. Special options such as maple hardwood interior, zone air conditioning, microwave and central vacuum are also available for your comfort and convenience.
As one of our new generation of aft cabins, the 355 Aft Cabin has a lot to offer in the way of motor-yacht luxury and cruising amenities. It's designed with a unique new integrated transom platform making boarding easier with its built-in staircase-style steps and also offers lots of room to stow your personal watercraft. The wide 13'3" beam means there's room for two staterooms including a large master stateroom aft with private access to the aft head compartment with its stall shower. Optional maple hardwood interior offers a different look to the cabin. Topside, the aft deck with hinged enclosure offers room to entertain and the flying bridge has plenty of seating for guests.
New for '85, the 325 Aft Cabin Motor Yacht offers wide-body luxury and performance, with all sorts of cruising “extras” you’d never expect in a boat this size. The unique new integrated transom platform is designed to make boarding easier with built-in stair-case-style steps. It also offers plenty of room to store personal watercraft. The 11'10" wide beam provides roomy comfort and the privacy of a master stateroom aft with both double and single berths, plus the convenience of a personal vanity and sink. The available lower helm station adds flexibility for the captain to join family and friends in the cabin. The 325 features as standard our new maple hardwood interior.

Ideal compartment includes a shower and Revere vanity, stovetop and sink (left). Guest cabin features comfortable L-shaped seating which converts to a double (below).

Specifications
Length Overall: 39'2" 11.92 m
Beam: 13'10" 4.22 m
Draft: 3'8" 0.99 m
Sleeping Capacity: 6

Key Features
Aft cabin includes a double and single berth, along with the convenience of a personal vanity and sink.

The salon features a roomy 6-ft. sleeper-sofa and large windows that provide excellent visibility and generous natural light.

Spacious aft deck is ideal for entertaining.

Flying bridge offers comfortable seating for four, control console with full instrumentation, engine synchronized, hydraulic trim tabs and steering, sliding pilot seat, L-shaped lounge and storage.

Larger, integrated transom platform features built-in stair-case-style steps and room to stow personal watercraft.

Complete galley includes refrigerator/freezer, two-burner electric stove, white porcelain enamel stainless-steel sink and loads of storage.

Comfortable dinette seats six and converts to double berth for additional sleeping room.

Fully welded stainless-steel bow and safety rails provide extra strength. Welds are polished smooth for easy maintenance and increased corrosion resistance.
With its long-range fuel capacity, plus lots of living room, the 370 Voyager° is ideal for extended cruising. The redesigned cabin offers more room for cruising comforts including the galley’s full-size refrigerator/freezer and built-in microwave oven. So you know you can bring plenty of food for those longer trips.

To keep you cruising in all sorts of weather, the available raised pilot house configuration features a lower helm station with excellent visibility. Topside, the Euro-style transom includes swim platform, stow-away ladder and mounting pads for davits.
If you’re looking for a versatile boat designed for on-the-water fun, extended cruising or simply relaxing, the 320 Voyager® is a smart choice. It offers two floor plans, including one with a lower helm station with full instrumentation. So you can cruise comfortably in all sorts of weather. The Voyager’s wide beam adds stability and a spacious, open cabin with room for lots of cruising comforts, like a convertible dinette and complete galley. The command bridge offers seating for five with a convertible sun lounge.
330 MARINER SE

Specifications
Length Overall: 33' 9" 10' 29' m
Beam: 12' 4" 3' 76" m
Draft: 3' 11" 1' 6" m
Sleeping Capacity: 6

Key Features
Open-concept styling creates a spacious, party-size salon with seating for eight. There's a convenient wet bar with bottle storage, and direct ladder access to the bridge, making it easy to serve snacks and refreshments.

Spacious flying bridge includes generous seating for six, custom console with full instrumentation, engine synchronous, hydraulic trim tabs and steering and pedestal slide/twist pilot seat.

Forward stateroom features a large comfortable berth and convenient private access to the head compartment which includes a stall shower.

Complete galley includes double-door refrigerator/freezer, three-hump electric stove with oven and sink with porcelain enamel stainless-steel sink.

Large foredeck sun lounge features thick padding for greater comfort.

Wide walkways on both port and starboard provide easy access to sides and foredeck.

Extra large, 59 sq. ft. cockpit is ideal for fishing, water sports or relaxing. Full transom door provides easy cockpit access.

Fiberglass swim platform with ladder and storage is ideal for all kinds of water sports.

Fully welded stainless-steel bow and safety rails provide extra strength. Varnishes are polished smooth for easy maintenance and increased corrosion resistance.

Full-sized galley includes three-burner electric stove, double-door refrigerator/freezer and sink with porcelain enamel stainless-steel sink (right). Bridge offers comfortable seating and control console with full instrumentation (below).

Forward stateroom (left) features large double berth and convenient private access to the head compartment with stall shower. Bench, movable saloon with chair with adjustable director lounge and (island) and forward ladder access to the bridge (below).

For the maximum value in entertaining, the 330 Mariner is just your style. Featuring a convenient single-level floor plan that boasts a bright, open, party-size salon, the Mariner has a lot to offer you and your guests. Its extra-large flying bridge is accessible from the main cabin or from the roomy 55 sq. ft. cockpit.

On the bridge, the port and aft lounges provide seating for nine. Belowdecks, the master stateroom features a double berth and private access to the head compartment with its stall shower. So you can party—or cruise, or fish or simply relax. The 330 Mariner is designed to keep your family and your guests happy.
The 280 Sedan offers wide-body stability with its 9'6" beam and space for all sorts of cruising comforts to enhance your boating, whether you're day cruising, relaxing or enjoying water sports. There's room to sleep five, a complete galley and an enclosed head compartment with shower. An optional lower helm station lets you keep on cruising in less-than-perfect weather. The comfortable bridge offers a control console with full instrumentation, backlit gauges, wind deflector, sliding pilot seat and an aft L-shaped lounge for your guests. And you can choose either single or twin stern drive propulsion.

Specifications
Length Overall: 29'11" / 9.12 m
Beam: 9'6" / 2.90 m
Draft: 2'6" / 0.77 m (Max)
3'0" / 0.91 m (Single)
Sleeping Capacity: 5

Key Features
Wide, 9'6" beam provides cruising stability and enhanced cabin comfort. Cabin height is a roomy 6'3".
There are sleeping accommodations for five, including a double berth forward, convertible dinette and sofa.
Large head compartment includes hot/cold water, shower, marine head with holding tank and ventilation window.
Flying bridge offers comfortable seating for five, including sliding pilot seat and L-shaped lounge, and control console with full instrumentation.
Complete galley includes ice chest, stove, stainless-steel sink, dinette and storage.
Optional lower station helm.
Integrated, fiberglass swim platform with ladder is ideal for all kinds of water sports. All external surfaces are self-bailing, including bridge, cockpit and toe rails.
Fully welded stainless-steel bow and safety rails provide extra strength. Wells are polished smooth for easy maintenance and increased comfort.
There's plenty to be proud of when you bring family or guests on board the 380 Santego® SE. Start with the roomy command bridge which offers a double-sided helm seat, comfortable bench seating and lots of storage. A convenient walk-through feature allows direct access from bridge to foredeck to make docking safer and simpler. Then the Santego's open-concept single-level interior provides an airy, spacious cabin with lots of room for a party or a quiet conversation. A large wrap-around dinette converts to an extra double berth, and the fully equipped galley and wet bar add to family fun and entertaining.
This year the 310 Santego offers several appealing new features along with its traditional open-concept Santego styling. Fresh contemporary graphics give the 310 an exciting new look. Twin stern drive or twin inboard propulsion provides extra cruising power and speed. And as always, the Santego's open interior styling gives the cabin an extra roominess. So there's a private stateroom forward and complete head compartment with shower, plus a convenient, fully equipped galley that features larger appliances and makes onboard dining a pleasure.

Specifications
Length Overall: 35'6" / 10.82 m
Beam: 10'6" / 3.20 m
Draft: 3'1" / 0.94 m (dry docked)
33' 0.94 m (stem drive)
Sleeping Capacity: 5

Key Features
Open-concept interior styling provides plenty of seating, including a wrap-around dinette that converts to a large berth. The sofa converts to an upper and lower berth and includes a privacy curtain.

Flying bridge offers comfortable seating, central console with full instrumentation, Benchtop sun-shade and forward walk-thru for easy access to the foredeck.

Complete galley includes dual-voltage refrigerator/Freezer, two-burner electric stove, microwave, stainless-steel sink and lots of convenient storage.

 Fiberglass swim platform with ladder and bow pulpit are integral parts of the vessel. Full transom door is provided for easy access into the cockpit.

Fully-welded stainless-steel bow and safety rails provide extra strength. Wells are polished smooth for easy maintenance and increased corrosion resistance.

Large self-bailing cockpit provides room for deck chairs for relaxing or entertaining, plus engine access through convenient hatches.

Cockpit hand shower and lounge are available as options.
310 MID-CABIN EXPRESS

Specifications
Length Overall: 35’5” (10.80 m)
Beam: 10’10” (3.30 m)
Draft: 3’ 1” (0.97 m (Unboard))
3’ 3” (0.94 m (Trim Tab))
Sleeping Capacity: 5

Key Features
Cockpit includes comfortable wrap-around seating that converts to a settee or sun
lounge, convenient storage, and steering wheel with molded-in step, set Box, ice box and
hatch cover with full instrumentation and plenty of space for electronics.

able double berth, hanging locker and ample storage.

Complete galley includes dual-circuit refrig-
erator, twin-burner electric stove, stainless
steel sink and storage.

Sealed platform with ladder and storage, and
bow pulpit are integral parts of the vessel.

Fully welded stainless steel bow and safety
rails provide extra strength. Welds are
polished smooth for easy maintenance and
increased corrosion resistance.

Generous 6’9” cabin height in main salon
and 8’2” cabin height in forward stateroom
provide exceptional headroom.

Two interior floor plans available. One
provides a spacious salon with extra-large
U-shaped lounge and the other provides a
traditional second stateroom in the mid-
cabin.

310 Designed with more curves and bolder
graphics, the new 310 Express, the largest of our Mid-
Cabin line, offers stylish good looks and lots of family
space. It’s wide 10’10” beam provides for a roomy
interior that features a private forward cabin, spacious
dinette/salon and convenient galley to make each
cruise a special event. The J-shaped lounge and dinette
converts to a double mid-cabin berth complete with
privacy curtains. And the head compartment includes a
douher and vanity. The 310’s large cockpit offers the
family even more fun with its wet bar and ice box, plus
wrap-around seating that converts to a sun lounge.
Available with either twin stem drive or twin inboard
propulsion.

Walk-along mezzanine with isolated step (above).
Well appointed galley includes two-tier electric oven
drive, dual-drawer refrigerator and galley sink with
stainless-steel faucet (right). J-shaped lounge
converts to mid-cabin berth with privacy curtain.

(right) Designer cabin features large double berth and
hungary (center left). Indirect head compartment
offers privacy and internal vanity (below right).
The whole family will enjoy the wide-body stability and classic styling of the 280 Mid-Cabin Express. The 280 is available in either an express version or with a unique hardtop that offers extra protection from excessive sun or adverse weather. It's designed to get you on the water fast and attract lots of favorable attention with its classy Euro-styling.

You even have a choice of single or twin engines. And thanks to the wide 9’6” beam, there's lots of cabin room—far more than you'd expect in a boat this size. So you can enjoy the luxury of a comfortable forward stateroom, roomy mid-cabin berth, convertible dinette, complete galley, a head compartment with shower and loads of convenient storage space.

Control console features full instruments and adjustable helm seat (left). Complete galley includes stove, stainless-steel sink, ice chest and plenty of storage (lower left).

There's sleeping room for six, including forward berth, convertible dinette and mid-cabin berth (above).

280 MID-CABIN EXPRESS

Specifications

Once you've decided to own a Carver yacht, you can rest easy that you'll never be left high 'n dry of factory or dealer support. The dealer in your area was hand-picked by our organization to sell and service Carver yachts. You'll find him to be extremely helpful in solving whatever problems you may have. His people are factory-trained marine specialists who know how to keep your Carver yacht running its best. The combination of your dealer's experience and the Five-Year Warranty that comes with your new Carver yacht is an unbeatable match.

Carver Boat Corporation is a subsidiary of Genmar Holdings, Inc., the largest independent manufacturer of recreational powerboats in the world. As a Genmar company, we have the unique advantage of drawing on a vast resource of technology and experience in building recreational powerboats, from 12-foot aluminum fishing boats to 130-foot custom yachts. It's a behind the scenes resource that few boatbuilders can talk about.
