The Hallmark Of Success.

Nothing can compare to the exhilaration of gliding through the water at the helm of your own motor yacht or sport cruiser. Nothing does it better than a Carver.

Thanks to the continuing success of our innovative multi-vessel design programs, Carver has become one of the premier full-line mariners in the industry. With an accommodating product line of twenty luxurious new-vessel yachts, saloons and cabins, there’s a Carver yacht specifically designed to turn your dreams into reality—from a comfortable传统文化 sport cruiser to an impressively elegant flagship motor yacht.

The hallmark of Carver AB Cabins and Cockpit Motor Yachts is classic, traditional styling combined with thoroughly sophisticated interiors. If you enjoy extended cruising and entertaining with family and friends, you’ll find all the comfort, enjoyment and pride in owning one of these unique crafts that the mention tremendous resale values when it comes time to move up.

Safeguard your Carver AB Cabins or Cockpit Motor Yachts and you’ll find a host of significant amenities, including generous master staterooms, with large mint-sprayed baths and private head compartments complete with shower and vanity, offering the ultimate in personal comfort. Spacious aft decks with built-in steps and enclosed provides superior protection from the sun and waves. The spacious salons offer plenty of comfortable seating as well as entertainment centers, fully equipped galleys are superbly laid out to make meal or snack preparation easy and enjoyable. And skillfully hand-crafted cabinetry in maple, oak or teak, evokes an elegantly appointed environment.

For over a decade these outstanding values have set the standards in the industry for comfort and luxury—and they continue to be the benchmark used by others. Carver builds in as many motor yachts featuring the AB cabin design as all other boat builders. So, if your goal is to own the ultimate in low-cost comfort and convenience, there’s really only one place you need to look. Choose from seven Carver AB Cabins, one of three ready to fit your lifestyle perfectly.

Cruising versatility comes to exist whenever the name Carver Voyager is mentioned. Her combination of beautiful contemporary styling, the recipe of cruising and entertainment advantages of a flybridge, or the Voyager sport, and with her all-weather cruising features, the optional lower helm station, you end your goals can go below and continue cruising in spite of low-class perfect weather. Plus, with extended range fuel tanks, you can enjoy cruising further.

To expand your cruising interests and turn your leisure time on the water into something very special, there are four Carver Voyagers inside this year’s fine, each offering superb accommodations and cruising ease and ranging in size from 38’ to the 50’-6 Carver Voyager Flybridge.

You’ll find extended flying aboard a Carver yacht is very comfortable and easy, and this is especially true aboard a Carver multihull with a single-level, open-concept cabin configuration. Last year we proudly introduced the new 50’ Carver and it immediately became one of Carver’s best-selling multihulls.

Cabin aboard and you’ll find yourself impressed with the quantity and comfort, the marine design and the impressive flybridge of the Mariner. Enter the very large cockpit that’s ready for play and the stunning, spacious saloon where you can really entertain. You get the point, it’s beautiful, it’s charming and there’s space for everything.

The Carver Voyager, one of Carver’s most popular sport cruisers, also features an open-concept cabin configuration. You will enjoy loads of attention when you cruise by in one of these splendid, contemporary-styled low-profile trawlers. In addition to the spacious, attractive interiors, they offer rigidly designed interiors with outstanding space and comfort. If you demand advanced styling and strive for the comfort and entertainment advantages of a flybridge, you’ll find that one of the Carver Voyagers will more than satisfy your expectations.

When it’s quick and agile performance in a sport express-boat you’re looking for, then look for the Carver 260 and 280 Pilothouse 39 Starlin Express offers just that: the performance of a sport cruiser with the quality and value you would expect from a Carver motor yacht. An excellent array of standard features, includes dual-voltage refrigerators, shore power, electric hydraulic pumps, stereo, stereo, entertainment, depth sounder, microphone, battery charger and more. In addition, you’ll enjoy luxurious seating and comfortable sound insulation, as well as comfortable accommodations and generous sized head compartments.
In 1988, we've added a totally new line of sport yachts to the Carver family: the new Voyager Express Yachts. These magnificently designed express yachts, ranging in size from 32' to 46', feature sophisticated styling and engineering and include an impressive list of standard amenities. Their purposeful exterior styling and sleek lines reflect some of the trends designers the industry has to offer. Sophisticated interior boasts the stunning combination of finely finished cherry wood with custom-crafted upholstered in luxurious Ultrasuede® or designer fabrics. This year, we've up to a level of sophistication and quality that will satisfy the taste of even the most discriminating buyer, aboard one of the new Voyager Express yachts.

A Rich Heritage Of Quality.

With over four decades of leadership designing motor yachts that offer superior comfort and flexibility, Carver is one of the nation's most experienced builders in the industry. And one with the most skilled and knowledgeable work force. It is that experience and expertise that make the Carver difference. Many of our craftsmen and technicians have been building Carver yachts for decades. In fact, in several of our plants you can find generations of families working together.

Style and comfort. These words have become part of every Carver yacht and cruiser. With each new Carver design, our goal is to create the ideal balance of style and comfort, and you can clearly see this emphasis in every new Carver yacht.

The progressive exterior styling of the new models emphasizes clean lines, smooth curves, balance and proportion. We use only the finest materials, which provide greater safety and a much more attractive appearance.

When you command your boat or entertain your friends from a Carver fly bridge, comfort was built in from the start. The bridge features extremely comfortable seating, and many of them also have convertible sea lounges, Hardcover console with backlit digital instrumentation and plenty of functional storage built in.

Below decks, relax amid the abundance of luxury appointments in the attractively designed environment. The cabinetry and trim, hand-crafted in Carver's own Wood Shop, provides a fit and finish that's the envy of other builders. The wood is a rumor maple or optional teak—now in the new 358 Voyager and Voyager Express Yachts, a rich cherry wood that's polished with the finest attention to detail.

Sleep comfortably in the plush overnight accommodations on the larger motor yachts, including the luxurious layout of private staterooms with their own head compartments and all windows. The master stateroom features the extra comfort of insole-spring mattresses. Carver's smaller cruisers also include generous sleeping space that is functionally designed for comfort and privacy.

The luxurious upholstery and distinctive selection of Carver interior colors and fabrics create a sophisticated ambiance throughout the interior environments. In the larger motor yachts, seating areas are finished in luxurious Ultrasuede® while quality designer fabrics, in select colors and patterns, are finished in the smaller yachts. To maintain the highest standards of manufacturing, we painstakingly create all the upholstery, upholstery and upholstery in Carver's own shops.

Check and order your engine to get exactly what you want aboard a new Carver yacht. The fully equipped, efficient galley features practical layouts, plenty of cabinet space and storage space, plus convenient for large stoves and refrigerators. Chef-friendly solid-surface counter tops and sinks with solid base fixtures and finishes add touches of style and functionality.

In every aspect of manufacturing, Carver yachts, we use only the highest quality components and materials, from components like: Comesco Marine (air-conditioning systems), Galley Industries (fiberglass transom), Maxwell Winches (wind systems), Backyard (chrome coat systems), Searfss (A) Products (Oven for Appliances) and Yacht Industries (50% open-hull). The advanced design and technology of time companies products adds extra value to every new Carver yacht.

Our international network of Carver dealers ensures worldwide availability of all new Carver yachts and cruisers. Building the tender to Public Works in over 60,000,000,000 of manufacturing space on 54 sprawling acres, Carver employs over 900 highly trained, skilled workers in the various departments throughout the company from fiberglass, upholstery, electronics, Wood and Metal Shops to the Boat Testing Facility.

Carver also maintains an important link in a rare resource of technology and expertise by virtue of our affiliation with the Geisler Yacht Division (including Carver's sister company Horace's Yachts). The Yacht Division is the division of Geisler Holdings, Inc., the largest independent manufacturer of recreational boating in the world.

If you're looking for the highest standards of craftsmanship, and the highest level of quality, you will find great satisfaction and enjoyment of your leisure time owning a new Carver motor yacht or cruiser.
Introducing The Stately 530 Voyager Pilothouse.
By virtue of innovative styling and extending new standards in pilothouse design, a striking new flagship joins the Garver family—the new 530 Voyager Pilothouse.

From a distance her distinctive profile clearly tells you her buildling is elegant and sophisticated. The expansive cockpit is further enhanced by the class lines and rounded corners, and the sculptured look of the electronics case flowing into the upper fly bridge.

The fly bridge deck, which is superbly laid out for comfortably piloting the craft, also qualifies as a massive entertaining area. A large, cozy, comfortable lounge with seating for eight and a conventional water bar are standard amenities. In true with her mega-yacht personality, there is also storage for a dinghy up to 16’ in length.

Below deck, one enters by viewing slides through large stainless-steel sliding doors. The customary bulk cabinetry is crafted from fine-erry studio wood and features a styling approach that includes security, molded curves and meticulously finished detail. The_leger-

The conference room includes cable stability and adds unique style to the 530. Seating is also custom built to Garver’s high standards, and includes an L-shaped salon set with double indrives, elegantly upholstered in leathers. Upholstered, and security chutes.

The complete galley has all the facilities you would expect in a yacht of this class. including the three-burner stove with oven, refrigeration/freezer and built-in connection microwave oven. Quality solid-surface counter tops add the finishing touch to her already-luxurious interior.

The compelling styling of the 530 pilothouse is simply awesome. There’s luxurious seating for six, including an adjustable companion seat with power-assisted controls for precise seating positions. The complete helm stations feature an overhead console—which can include popular pilothouse equipment, including a video monitoring system. A conference room and lower bar to the bridge, and a starboard side door that access does provide a mega-yacht feel.

The 530 offers the luxury of three private staterooms. The master stateroom aft includes an interior spring, spacier island berth and a private head, habitation shower and vanity, as well as walk-in shower, wide, self-laid, lighted hanging locker, a chest of drawers and available entertainment center. The forward guest suite also features an interior spring, queen-size island berth with private access to the head. The third guest suite offers comfortable berths or available office.
The 500 Cockpit Motor Yacht is a superb example of modern motor yacht design, offering true all-weather cruising with her innovative bridge and aft deck enclosures.

Her classic styling is the most recognized on the water, but the 500's unique versatility sets her apart. With the addition of the bridge enclosure, the motor yacht offers total climate control. There's plenty of comfortable seating on the bridge, as well as a central console with full instrumentation.

The aft deck is spacious and very unconfined, and includes the convenience of a sofa bar with sink and storage. The standardhardt top with arch and wing doors provides superior protection from sun and wind. Access to the aft deck from the cockpit is easy via its integrated fiberglass stairs.

The large fiberglass swim platform and transom door provide ease of boarding to the spacious on-deck.

Enter her spacious salon, where you are greeted by legendary Carver interiors. The interior is available in two floor plans, a standard three-stateroom version offers sleeping accommodations for eight, and an available two-stateroom version provides a large entertaining area and the flexibility of a convertible dinette and sunbed. Seating is finished in luxurious Ultrasuede, and the entertainment center is standard. A large walk-in engine compartment is accessed easily by lifting the salon steps.

The complete galley offers its own tools of human engineering, with everything within easy reach. It includes meticulously finished maple wood trim in available cabinets, a three-burner stove with oven, full-size refrigerator/freezer and conventional microwave.

Sleeping accommodations provide Soundtouch comfort. The master stateroom aft features an inner-spring queen-size island berth, private head compartment with stall shower and vanity, and direct access to the cockpit. A second master stateroom forward includes an island berth and private access to the head with stall shower (also available in three-stateroom plan).
The exclusive styling and engineering of the 465 means a greater radii of unique character and versatility with the availability of two cabin configurations.

The elegantly advised in a two-cabin plan a standard three-cabin version offers sleeping accommodations for eight and an available two-stateroom version provides increased living area with the flexibility of a removable door and furniture. Topside, her spacious flybridge offers excellent visibility and comfortable seating. With an addition of the flybridge hardtop with enclosure and aft deck enclosure with air-conditioning, the 465 provides total climate-controlled comfort.

The after deck is spacious and ideal for entertaining with the convenience of a wet bar with sink and storage. The standard hardtop with arch and wing doors provide partial protection from weather and wind. An integrated fiberglass transom extension provides easy access to the aft deck.

Below deck, the interior styling reflects an understated elegance, with just the right touch of color to complement the maple wood. Seating is finished in antique Ultraleather, and the entertainment center is standard.

The galley is marvelously efficient with everything you would expect it to be. Appointments include a three-barrier move with oven, full-size refrigerators/freezers and convenient microwave.

In true Carver form, sleeping accommodations have been thoroughly thought out. The master staterooms are furnished as lower-sleeping, queen-size island berth and a private head compartment with stall shower and vanity. A second stateroom stateroom forward includes an island berth and private access to the head with stall shower.
The new 445 Carver's legendary quality, inherent strength and superior craftsmanship into a motor yacht offering solid performance. Her classic, traditional styling is beautifully Continuing look. With a highly proven hull design, she provides a higher level of stability and performance, and is especially stable at dock, providing additional comfort for onboard guests.

Boarding is extremely easy through the efficient design of the integral fiberglass entry platforms and Stalinist-style steps that lead to the aft cockpit. Here, the spacious living area is designed for a lot of entertaining. A settee with refrigerator and storage can be added for greater comfort, and the substantial wing doors provide extra protection from the weather and wind.

The rear fly bridge offers a lounge that is ideal for distant cruising or just plain relaxing. There's comfortable seating for seven, and an ergonomically correct control console and hullside cutout for the pilot. For warming, the large foredeck sun lounge offers real comfort.

The salon offers a spectacular view through large cabin windows. Through the imaginative design, Carver now offers a salon environment that offers incredible space and comfort. The seating is extremely comfortable and superbly crafted, including an L-shaped set with an impressive 42" bed finished in luxurious Ultrasuede. The entertainment area includes a complete entertainment center with TIVICA, and is also tastefully decorated with draperies that includes color-matched upholstery in designer fabrics and standard maple wood cabinetry and trim.

The galley and dining compartment is open plan and an easy reach space, making meal time more enjoyable. Scrolling all levels of chrome, the galley includes a three-burner range with automatic fan, refrigerator/Freezer, conventional microwave oven, coffee maker and solid surface counter tops.

Whether its extended cruising or a worked day stay, the astoundingly flexible of this yacht put her in a class by herself. The superbly appointed master staterooms all include an in-sink-eur, queen-size berth, private head compartments and wall mounted television. Lighted vanity, hanging locker, and drawer storage. The guest staterooms forward feature a comfortable double berth and private access to the head with stall shower.
Skilledly crafted to create plenty of space inside, the 405 Art Cabin Motor Yacht is superbly engineered for cruising and entertaining.

With over 100 sq. ft. of space on the open deck, and plenty of space and comfortable seating on the fly bridge, the 405 was designed to do a lot of entertaining with sophistication and style. For even greater comfort and convenience, a fold-down teak bimini top with arch and enclosure sets her with a cocker.

Her saloon below is very inviting and projects a comfortable, warm feeling of home. The spacious saloon is beautifully appointed in color-coordinated upholstery, designer fabrics and finished with simple wood cabinetry and trim. Large saloon windows allow plenty of natural light in and provide superb unobstructed visibility from the saloon. Other amenities include a comfortable L-shaped settee with double inners, and entertainment center with TV & VCR.

The galley uses a design approach that is both logical and functional, with everything found in its proper place. A generous amount of natural light from the large windows flows into the galley and dining area, creating a very pleasant look. Standard equipment includes three burner stove with oven and a full-size refrigerator/Freezer.

The 405's sleeping areas provide the perfect balance of style and comfort. This includes the luxury of two private staterooms. The beautifully appointed master staterooms all provide the comfort of an oversize innerspring queen berth, plenty of storage, hanging locker and private head compartment with stall shower. The forward guest stateroom includes a comfortable double berth and hanging locker. Additional sleeping room is provided by the convertible dinette.

USA: 40' 1" (12.24 m)

Beam: 13' 10" (4.22 m)

Engine canister: 175 HP (130 kW)

Fuel capacity: 190 U.S. gal. (710 L)

Water capacity: 29 U.S. gal. (110 L)
Classic motor yacht styling combined with legendary Carver comfort and superb accommodations results in a motor yacht of remarkable character—the 400 Cockpit Motor Yacht.

You board the 400 from her over-sized swim platform, which is noticeably much larger than other yachts in her class. Located on the platform is the available huge transom storage bins to hold lines and other gear.

Stepping up into the spacious aft deck, you realize it is room-sized and has plenty of potential for relaxing or entertaining. With the available hardtop with arch and wing doors, you get extra protection from the weather and wind. A vent with screen is also available.

Her flybridge is an especially great place for entertaining or containing. It features wonderful visibility and comfortable seating for six, as well as plenty of storage. The island is a comfortable sliding pilot seat for the helmsman, as well as a central console with full instrumentation. The available dual forward v-berths are extra comfortable.

Below deck, the large, wrap-around salon windows provide a panoramic view. The interior is beautifully-decorated in a modern decor of color-coordinated carpeting and upholstery with designer fabrics, and superbly finished in maple wood cabinetry and trim. A lower station helm is available to extend your cruising enjoyment.

The galley is perfectly laid out to accommodate all levels of dining or entertaining. Standard equipment includes a three-burner stove with oven, full-size refrigerator/freezer and stainless-steel sink.

Cabin arrangements include the luxury of two private staterooms. The master staterooms offer superb appointments, including an innerspring double berth, private head compartment with full shower, hanging lockers and direct access to the cockpit. The guest stateroom forward features a comfortable double berth, private access to the head, drawer storage and hanging locker.
Legend has it that every boat needs a great name, and the Carver 355 Aft Cabin Motor Yacht does not disappoint. Aft cabin boats are truly a lifestyle choice, allowing the owner to enjoy the comforts of home while cruising.

With a 35-foot length and a beam of 12.2 feet, the 355 offers a spacious interior that is perfect for both long-term cruising and shorter getaways. The large hull and open layout provide easy access to the deck, making it a great choice for families looking to spend time outdoors.

The deck offers a large sunpad and seating area, perfect for soaking up the sun or enjoying a quiet evening under the stars. The cockpit is well-lit and offers comfortable seating for six, making it an ideal spot for entertaining guests.

Inside, the salon is warm and inviting, with a large windows surrounding the space. The dining area is located forward of the galley, providing a spacious area for meals. The galley is well-equipped with all the necessary appliances, including a stove, oven, and refrigerator, making it easy to prepare meals while on board.

The master suite is located on the lower level, offering a private and quiet space for relaxation. The guest cabin is located on the upper level, providing additional sleeping space for family or friends. The头上 kennel of the boat offers a spacious area for storage and additional seating.

The 355 is powered by twin engines, providing ample power and speed for exploration. The hull is designed for smooth cruising, making it a pleasure to navigate through the water.

Overall, the Carver 355 Aft Cabin Motor Yacht is a fantastic choice for those looking for a comfortable and spacious interior, with plenty of outdoor space and amenities to make cruising a true pleasure.
Enjoy the exhilaration of cruising in perfect tranquility aboard the 370 Voyager—and when the weather closes in, simply go below and be glad you wouldn't settle for anything less than the total comfort provided by Voyager's conversion, available overseas and in Europe.

She's built for optimum enjoyment topside as well, whether you're relaxing in the extra large cockpit, or sitting at the control console on the spacious flybridge, which also offers the luxury of an L-shaped port side lounge, seating for six and built-in storage.

Engineered to enhance your enjoyment of extended cruises, the 370 also features an extended long-range fuel capacity, which significantly increases your cruising possibilities.

A Euro-style interior features a swim platform with stow-away ladder and mounting pads for davits. Easy access from cockpit to the cabin is provided via a large sliding door with screens.

Enter the bright, open cabin where large windows provide enhanced visibility and light. There's room for an impressive array of amenities, including a fully equipped galley with full-size refrigerator-freezer, two-burner electric range with oven, and lots of storage.

The dinette offers excellent casual seating and converts easily to extra sleeping space with a double berth. A salon sofa with double innerspring provides additional accommodations that also bring the sleeping accommodations to seven.

For overnight comfort, the master stateroom sleeps you with its own-owned island double berth and ample, convenient storage. The mid-cabin offers a double berth and optional upper berth.

A separate stall shower is featured in the conveniently located head compartment.

Throughout the interior, carefully chosen designer-coordinated colors and fabrics add to the pleasantly comfortable atmosphere aboard the 370 Voyager.
When you find a boat that does everything you want, you want to hang on to it forever. That's precisely how you'll feel about the incredibly well-engineered 320 Venture.

Combining traditional styling with her wide 11'11" beam, the 320 offers cruising stability, as well as plenty of room for one of your on-the-water adventures. From the large cockpit that's ideal for fishing and water sports, to the full-size flybridge, there's a substantial list of comfort and performance features you won't want to do without.

A transom storage locker and tender rack is built in. The twin platforms with ladder simply add to your enjoyment.

Up on the flybridge there's seating for five with two plush bench seats that convert to a nice lounge for total relaxation. The control console with complete, backlit instrumentation, a VHF/Walkie Talkie and radio pilot unit are all ergonomically designed to keep you comfortably in command.

Below deck, Carew's wide beam construction makes all sorts of comfort-laden amenities possible, starting with an incredibly spacious cabin, featuring large storage lockers for enhanced mobility. The lower infantry consists easily into a berth. There's even room for an optional lower helm station to extend your cruising opportunities.

Sleeping accommodations for six include two luxury-loaded private staterooms, including the forward stateroom offering generous bunks with a large double berth and hanging storage. For guests on an overnight trip, the stateroom provides a double berth and hanging storage. Solid wood doors add style and privacy to both staterooms.

Providing the perfect solution for the preparation of snacks and meals, the raised galley is fully equipped with two-burner electric stove, microwave, ample unit and large deep storage refrigeration/freezer with wood inlays. Double-wide potty doors lead to the cockpit.

For extended cruising, water sports or relaxing in the sun, the 320 makes your boating experience more enjoyable.

110 HP Evinrude Outboard Motor
Innovative Curver engineering and world-renowned boating expertise really shine through in the exceptional comfort and performance features that have been thoughtfully incorporated into the 280 Voyager.

Her 42” beams provide the side-body stability and extra space for a even more of cruising amenities, including a optional lower station helm that lets you stay below deck in less than ideal weather. Plus you can choose between single or twin stern-drive propulsion to meet your performance needs.

The 280’s Fly bridge includes a slide/two pilothouse and a L-shaped lounge. The efficiently arranged helm console offers full instrumentation, including backlit gauges.

Take the ladder down to the large cockpit and there’s room to enjoy fishing or relaxing on deck chairs. The transom door leads to an integrated swim platform with ladder and the large sliding doors provide direct access to the cabin.

In the tastefully arranged cabin, there’s room to sleep five, with a crowned stateroom offering a double berth, a berthe, that converts in both, and a comfortably plush sofa. Designer-overlaid fabrics and wood add a stylish touch throughout the interior.

Large windowed windows add light and visibility to the salon, while the all-galley provides a great place for meal and cook preparation with features including a non-burner oven, sink and plenty of counter space. For added convenience, the 280’s large, enclosed head compartment features a shower and mirrored vanity.

Put it all together and the 280 Voyager can provide just the kind of performance and cruising comfort you’re looking for.
Her bold design and smooth, sophisticated curves combine with traditional Mariner comfort and functionality to create an indelible impression wherever she goes—wise big move the 350 Mariner has quickly become one of Carver's best sellers.

From the moment her sleek, compelling new styling was introduced last year, she has stolen all the attention.

Two integral Berlina staircases lead to the enormous bridge whose (here's seating for 10, plus a control console with full instrument panel and full wraparound windshields. With the convertible entertainment table, we have plenty lounge and all triple-wide bench seat, the bridge is readily right for entertaining.

Walk with ease along the Mariner's extra-wide side decks, which provide convenient access to the bow, where a double-wide bench lounge converts to a comfortable sun pads.

On top deck is the inviting cockpit where there's an integrated sports platform with removable ladder. There's also a unique walkway over the sliding door leading directly to the cabins.

Inside the 350's single level cabin that's a spacious, open atmosphere. The party-size saloon provides comfortable seating including a convertible lounge and chaise. Plus there are lots of entertainment features like the 27" TV and VCR. A surprising amenity is the direct ladder access to the bridge which makes it easy to move back and forth between cabin and bridge whenever you want.

When it's time to prepare a snack or meal, the 350's complete galleys has all the appointments, including full-size dual-cold refrigerator/freezer, two-burner electric stove and oven.

For comfortable overnight cruises, the master stateroom has a double berth with direct access to the biggest, three-seated head compartment which features a mirrored vanity with sink and storage. The exceptionally large Berlina shower with stall is a welcome luxury.

Everything from dual marine decks to color coordinated, designer fabrics, carpeting and upholstery adds up to a uniquely memorable adventure aboard the Mariner.
Immensely popular with boatmen and uniquely designed for comfort, the 380 Sanya combines deck-express cruiser styling with superior quality features and the exceptional living accommodations made possible by an open concept, single-level interior.

There's no shortage of quality and comfort upstairs, where the fly bridge furnishes generous seating for eight, including a double-wide helm seat, forward bench seat, plus port and starboard lounges. The 380's central console houses total control with full instruments, including backlit gauges.

The Sanya's convenient windshield and side windows provide direct access to the foredeck, for easier hauling. Together with the dual-positioncollision decks and wide-open side decks this allows total freedom of movement on board.

Offering a cool spot for fishing, the comfortably spacious cockpit provides a 31' helm. The oval platform with integrated storage and ladder is just a step away for added pleasure.

A convenient sliding door leads from the cockpit to the spacious, open cabin, where the Sanya's single-level design makes entertaining easy. The large, frameless saloon windows provide enhanced light and visibility. An elegantly curved salon sofa and large, plush wrap-aroundthi sencher space for seating conversations and also serves as comfortable sleeping accommodations.

The 380's set bar with both wet and dry storage is standard and an ice maker is available to make entertaining even simpler. The beautiful Maple interior, along with exclusive designed fabrics and colors, create an elegant, contemporary atmosphere.

Uncompromising comfort and quality is obvious throughout the Sanya, including the forward entrance with its luxurious island double berth, private access to the head compartment, and plenty of hanging and drawer storage. A fiberglass stall shower and extended vanity with sink and sink and storage provide the kind of convenience you want in the head compartment.

In the galley, style and efficiency are paramount, no matter what kind of meal or snack preparation you have in mind. Appliances include a three-burner electric stove, microwave and sink, microwave and dual refrigeration systems. The combination of comfort, quality and sport cruiser excitement is why Sanya remains an extremely popular choice.
Bridging the contemporary look of a sport cruiser with the extensive comforts of a fly bridge and the openness of an open, single-level floor plan, the 310 Santiago seduces with, convenience and practical luxury.

A center console configuration on the bridge provides maximum visibility. The control console with built-in instrumentation has lots of room for electronics, and there's plenty of seating under the sliding helm seat and comfortable bench seat. Low bridge doorways of 164" is a real convenience of the 310, and the distinctive Santiago walk-through bridge provides easy access to the foredeck.

Premade options include twin stern or twin inboard drives to suit your preference.

Molded steps lead from the bridge to a spacefully designed cockpit that's perfect for water sports. Guests can relax on the cockpit lounge or step through the transom door to a built-in swim platform with ladder and storage.

Large-deck dinghy hanger in the 310 cabin where traditional Santiago open-concept saloons offer an extremely large, airy salon with 6'6" cabin headroom. The large forward window adds lots of natural light.

Confortable sleeping the floor includes a convertible settee and an elegant port-side settee that converts to a regular and lower berth.

The privacy and convenience of an enclosed helm instrument with a double berth and plenty of dresser storage is just what would expect from Santiago.

For enclosed head compartments with shower and mirrored vanity with fiberglass sink and storage offers welcomes privacy.

Creating a pleasant atmosphere for meal preparation, the efficiently arranged galley offer large appliances including a microwave, two-burner stove and microwave oven.

The study crafted, light-finished hardwood interior and exclusive designer-selected color coordinated fabrics contribute to the pleasantly stylish mood.

| LOA DECK | 30'0" |
| Beam: | 9'6" |
| Draft: | 3'3" |
| Displacement: | 6,302 lb. |
With superior handling characteristics and the versatility of adding a hard top, the 280 Express is ready to take on all sorts of outdoor fun. The versatile 280 Express is available in two versions: an original express version with an open cockpit, which allows for full appreciation of the great outdoors, and a hard-top version that provides protection from weather and sun.

As mid-size express cruisers go, the 280 offers superb handling and stability, the result of the 27' 1" beam which also enhances interior space.

Topside, from the ergonomic layout of her control console and cockpit, to the design of her seating, the 280 offers the perfect balance of style, function and comfort. The cockpit includes a comfortable L-shaped lounge, cockpit table and conventional engine access. With a control console with backlit gauges and a double-wide sliding cockpit seat, you're ready for the exhilaration of running at cruise speed, or fishing for fun. For warm spots, a fiberglass swim platform with ladder is standard.

Below deck, in true Carver style, the 280 is designed for superb cruising comfort. Whether cruising, vacating or spending short weekend areas, she has the capability to turn leisure time into something real special. There are sleeping accommodations for six, including a mid-cabin with a comfortable double berth, a convertible dinette and forward V-berth. The head compartment features a shower, enclosed vanity, fiberglass sink and storage.

The galley is ready for all kinds of food or snack preparations, with amenities including a single-burner electric stove, dual voltage refrigerator/microwave, stainless-steel sink and storage.
The 240 Express combines everything Carver has learned designing world-class motor yachts, into an exciting, remarkable sport cruiser offering outstanding features and solid performance.

She has all the versatility, comfort and convenience to let you enjoy an unobstructed view of the water or a pleasure overnight trip. And with the exclusive Special Edition (SE) package, Carver delivers all the important amenities at a value price, including a dual-voltage refrigerator, shore power, electric head, sink, microwave, AM/FM stereo with cassette, depth sounder, television, battery charger, and more.

Running or just gliding off the water, the 240’s custom windshield and low profile styling enhance her traditional, sporty cruiser appearance.

For an extra touch of quality and style, Carver adds a sporty contoured helm console featuring full instrumentation and backlit gauges. A seating comfort for the pilot and mate is provided by a double-wide sliding pilot seat.

Recognizing how compact it is for express cruisers this size to be operated by a lone pilot, Carver designed into the 240’s walk-thru windshield with integrated steps. This is the perfect solution for providing convenient access to the forward, or easy docking.

The cockpit is a simple design which emphasizes functionality, intelligence and ease of use. The features include a cockpit table, lounge and storage to add to the cruising experience. The fiberglass swim platform with ladder is standard.

Below deck, the interior styling provides generous headroom, and the wide 46" beam allows for the space to provide sleeping accommodations for four, including a twin pullout berth.

The enclosed head compartments which offer an expanded 67" standing headroom is an unexpected comfort, easily possible by its centerline design.
Introducing The Trojan Express Series
By Carver.
The 440 Trojan Express by Carver is a major breakthrough in express yacht styling, with sophisticated lines, a refreshing new interior and her penchant for having fun.

The 440 is one of the new generation express yachts that carry their own personal watercraft. But there's a big difference with the 440 she has the capacity to carry two PWC's. This PWC is stored in the lower storage compartment. A second side efficiently uses the available hydraulic drive on rear platform, turning the 440 into a virtual launching pad.

The beautiful profile of the 440 instantly reveals the builder’s influence in her styling. Boarding is accomplished efficiently via the extra-wide swim platform. Standing in the cockpit, you immediately see that the yacht was especially designed for fun in the sun. The space is very serene and very right for a center of attention, whether it be the dinette entertaining in the evening, or first swimming or jet skiing. Standard amenities include a wrap-around lounge that creates an excellent seat and comfortable forward seats, a lounge, galley and enclosed refrigeration.

Below deck, the interior is an outstanding example of Carver ingenuity. The custom teak cabinetry crafted from fine cherry wood and the large curved lounge covered in Ultrasuede is a stunning combination that's functional and sophisticated. A complete entertainment center with color TV and VCR is included.

The salon is beautifully appointed and snugly blends into the interior. The additional touch of covering the bulkhead and upholstery with a stain-resistant cherry wood cover is further evidence of this yacht’s attention to style. Standard amenities include a two-burner range, full-size refrigerator/freezer, microwave oven, coffee maker, and solid-surface sink.

The fact that the 440 is serious about cruising is made known by her impressive flybridge accommodations, including three private staterooms. The beautifully appointed master stateroom forward features a queen-size berth, two cedar-lined hanging lockers and a private head compartment with shower, vanity and marine. The guest cabin on the port side includes a queen-size berth, private entrance to the head and cedar-lined storage. A third cabin offers a double berth.

LOA: 44’ 2” OAL 44.0’
Draft: 10’ 1” OAL 10.1’
Bridge Clearance: 10’ 1” OAL 10.1’
Fuel Capacity: 400 U.S. gallons 400 liters
Water Capacity: 200 U.S. gallons 200 liters

44
When you bring together the exhilaration of outstanding cruising performance, progressive express cruiser riding and the finest interior appointments, the result is a craft that's unmatched in its class—the 440 Trojan Express by Carver.

Her distinctive Trojan winged deck and deck, sports profile attest admiring glances on any waterway, while the wide 135º beam and modified V hull provide exceptional handling and stability.

The superbly crafted 440 offers an unusually large number of standard luxury features, such as the reverse double-wide forward sun pad that creates the perfect place to relax in the sun.

A remarkably spacious cockpit offers an array of features that are at once practical and luxurious. From the adjustable bench seat, full instrumentation and integral boarding step to accommodations like the expansive U-shaped settee and wet bar. Add the available table, settee, lounge, refrigerator or freezer and storage compartment, and everyone can simply sit back and enjoy. There's also a convenient transom platform with tender storage and holder.

Below deck, the 440's sophisticated design rigorously and her wide beam combine to create an enviable, impressively large interior with deep, textured cabinetry and rich, plush comfortable seating. The spacious, open cabin provides room for a private master stateroom that features a queen-size island bed, large over-sized hanging locker and private access to the head compartment, which features a shower with porthole door.

The large galley converts to a comfortable double berth and the spacious U-shaped salon side converts to a mid-cabin double berth with the added luxury of a privacy curtain.

In the fully equipped galley, most prepared for any type is possible for your cruising pleasure, with a microwave, refrigerator/freezer, coffee maker and two burner electric stove, plus solid surface sink and countertops. With the available generator and air conditioning, the 440 is in perfect shape for a weekend cruise.
TROJAN Express

With distinctive new styling and interior enhancements the all-new Trojan 350 Express by Carver has all the promise of becoming the most attention-getting 35-ft. express cruiser of 1998.

In addition to her distinct, contemporary styling with characteristic Trojan winged arch, the 350's standard features include a forward sun pad, spacious cockpit with convertible U-shaped seating and double-wide bolsters.

Below deck, her spacious and luxurious salon features cherry wood cabinetry and trim and comfortable U-shaped lounge. The 350's completely reconfigured salon includes plenty of storage space and storage.

Cruising accommodations include a forward stateroom with comfortable double berth and storage, and a mid-cabin with convertible seating berths. Look for this new yacht in spring of 1998.

Preliminary Floor Plan and Specifications

| LOA: 35'9" | 11.0 m |
| Beam: 12'0" | 3.66 m |
| Engine: Twin | 280 HP each |
| Max Speed: 30 knots |
| Range: 300 miles |

Interior Layout: 3 cabins, 2 heads.
Uncompromising standards for quality, comfort and style abound wherever you look aboard the 320 Trojan Express. Carefully thought out interior details to the distinctive styling of Trojan’s unique V-drive and contemporary European profile.

The spacious cockpit includes a sporty, contoured helm console plus a stylish, wide-adjustable seat for comfort and a full complement of gauges and instrumentation. Wrap-around cockpit seating converts to a truly comfortable sun lounge with abundant storage space.

A wet bar with sink is standard on the 320, providing just what is needed for entertaining. The companion-wide-ocean windshields provide direct access to the foredeck for steering and easier docking, and the extended fiberglass rear platform with ladder adds another avenue for fun.

The Trojan interior exudes elegance and character, with cherry wood cabinetry and trim providing handsome detailing. Complete accommodations for four include the spacious cabin forward with its extremely comfortable double berth and convenient hanging locker. Private access to the head compartment, which features shower and recessed vanity with sink, is a special luxury.

An L-shaped lounge converts easily into a cozy mid-cabin berth with privacy curtain. Three delightful hatches in the deck provide natural cabin light and enhanced ventilation.

When it’s time for dinner, the 320’s well-equipped galley provides all the amenities, including a three-burner recessed electric stove, microwave, dual-voltage refrigerator and stainless steel sink.

A choice of twin sterndrive or twin inboard propulsion offers the kind of power and speed your cruising plans call for.
