A DIFFERENCE YOU CAN SEE.
COMFORT AND QUALITY YOU CAN FEEL.

THAT’S CARVER YACHTS.
Many yacht builders boast about their quality and luxury, saying they’re second to none. Which makes them all about the same — lots of pretty window dressing and jazzy electronics, but once you actually get out on the water, you soon experience the shortcomings. That’s why, for more than 60 years, Carver has been building boats that are designed from the inside out to be exceptionally seaworthy. They offer real comfort on the water, as well as at the dock.

The first thing you’ll notice about a Carver Yacht is its clean, contemporary lines. But step inside, and you immediately notice more headroom in the salon and master berth, and more elbow room in the heads and in the galley. What’s more, Carver Yachts designers have gone to great lengths to ensure that 360-degree views from the salon won’t compromise ample storage and seating. And that means more comfort for you, your family, and your guests.

Born in the harsh, unpredictable waters of the Great Lakes more than six decades ago, Carver Yachts designs vessels that can easily take a pounding without sacrificing a soft, smooth ride. These yachts will get you out and back again in unbelievable comfort, regardless of the sea conditions. Everything in a Carver Yacht, down to the last detail, has been carefully planned and executed to give you the best possible boating experience.

Maybe that’s why more Carver owners stay in the Carver family year after year. And that’s why Carver Yachts can make this special promise:

The Carver Yachts Promise
Every Carver Yacht owner has my personal pledge that we will provide whatever support is necessary to ensure the finest ownership experience in boating. As a Carver owner, if you ever have a problem that cannot be remedied by your local dealer, I promise that the right technical experts will be assigned to aid that dealer in solving your problem.

I invite you to take a closer look at Carver and see the difference.

Rob Parmentier
President/CEO
Carver Yachts

P A G E 3
The new C43 Coupe boasts a broad, single-level salon with 6-foot, 8-inch es of headroom, which becomes part of a seamless indoor-outdoor living space when the glass cockpit doors are open. It also features two spacious staterooms, each with 6-foot, 6-inch headroom, a well-appointed galley, a private owners’ head with separate stall shower, and a separate day/guest head. There’s also abundant seating throughout the boat, an expansive swim platform, a retractable electric glass sunroof, and an available retractable sunshade. In addition, wide side decks provide easy access to the foredeck.

The C43 is much more than her accommodations and unique design elements, however. Her hull & deck feature both hand-laid and vacuum infused structural and nonstructural fiberglass and core laminates for superior strength. Below the waterline, the hull bottom is bead-blasted to ensure optimal bonding with the sprayed-on anti-fouling paint, which creates an exceptionally smooth running surface. Carver also incorporates fiberglass stringers for structural integrity and better performance, while its unique vacuum bagging technology reduces unnecessary weight.
C43 COUPE

The port-side galley features solid-surface countertops, full-size stainless steel sink, Nova Kool® refrigerator, convection microwave oven and a two-burner electric cooktop with ventilator to make onboard meal preparation a pleasure. Below the galley is another large storage area to be used in a variety of ways.

COCKPIT

Entering the C43's cockpit, owners will appreciate the large integrated swim platform. This platform is easily accessed through a transom door located on the yacht’s starboard side. The cockpit also incorporates convenient access to the engine compartment, large storage lockers to port and starboard, and comfortable L-shaped lounge seating. To enhance onboard entertaining, a cockpit table, icemaker and refrigerator are also available.

SALON

European-style glass doors separate the cockpit from the salon, and when they’re open, owners will enjoy a single entertainment space that flows seamlessly from the helm to the aft lounge. The salon features a large dining table, 32” LCD/LED television with Blu-Ray DVD/CD player, AM/FM marine multi media radio. Large cockpit scuppers draw water away from the salon doors, eliminating the need for a step between the two spaces.

GALLEY

The port-side galley features solid-surface countertops, full-size stainless steel sink, Nova Kool® refrigerator, convection microwave oven and a two-burner electric cooktop with ventilator to make onboard meal preparation a pleasure. Below the galley is another large storage area to be used in a variety of ways.
The guest head, which also serves as the yacht’s day head, is accessible from the guest stateroom as well as from the companionway.

The entrance to the forward master stateroom lies just few steps down from the helm and galley. With class-leading 6-foot, 6-inch headroom, these accommodations offer more space than master staterooms aboard much larger yachts; amenities include a queen-size island berth, port and starboard overhead lockers, hanging lockers, and dual end tables. A 24-inch LED television and Blu-Ray DVD player are available.

The real tour de force of the C43 is the private master head, with a glass-tile backsplash behind the sink and a roomy fiberglass stall shower with clear acrylic door that creates a homelike feel.

The starboard-side helm station offers an electrically adjustable seat that allows the captain to drive while seated, standing, or leaning on a flip-up bolster and it has plenty of room for all of today’s most desirable navigation, communication and electronic engine controls.
SEEK THE SPIRIT OF ADVENTURE, IN COMFORT AND STYLE

With her solid construction, responsive handling, and contemporary seafaring design, the stunning, low-profile C40 Command Bridge boasts all the features that cruising boaters desire. She offers a well-appointed command bridge, spacious salon with available lower helm station, fully equipped galley, two large private staterooms, two head compartments, and open floor plan that ensures maximum live-aboard comfort, effortless entertaining, and countless opportunities to enjoy life on the water. Throughout all three levels, you’ll find outstanding views, thoughtful amenities, and easy access to all deck areas, thanks to the extra-wide double doors to the cockpit, the extra-wide side decks, and the convenient bridge stairway.

Whether you’re marveling at the view from the command bridge, savoring a family meal or watching a movie in the gracious salon, or taking advantage of the cockpit’s built-in seating for a visit with friends, the C40 Command Bridge will allow you to embrace the real spirit of adventure on the water — without compromising comfort or style.
The C40’s open salon has been carefully designed for easy entertaining as well as for live-aboard comfort. It features 360-degree views through large opening windows, plush pile carpeting, expansive seating to port and starboard, a 28-inch LCD/LED television with Blu-Ray DVD/CD player, AM/FM marine multi media radio, and a large dining table.

Thanks to the C40’s open layout, the full-service galley to port is integrated into the inviting salon space, ensuring that no one is left out of the conversation. Meal preparation is a breeze in this carefully laid-out space, which incorporates solid-surface countertops, a Nova Kool® refrigerator, a convection microwave oven, a full-size stainless steel sink, a two-burner electric cooktop with exhaust fan, attractive vinyl plank flooring and recessed LED lights. What’s more, the floor hatch opens to reveal a large storage space.
The C40’s second head provides a companionway door for day use, and private access from the guest stateroom. It provides a hand-held shower with curtain, 12-inch opening portlight with screen, and vanity with vessel sink, solid-surface countertop, mirrored cabinet, and under-sink storage.

The command bridge has plenty of space for owners and guests alike, with the dual adjustable captain’s chairs and plush wrap-around seating with storage beneath. Whether you’re under way or at the dock, the spacious aft sun lounge and available bridge table ensure that this command-level deck will prove to be a popular spot. A hard top is available.

Located amidships to starboard, the C40’s guest stateroom provides full standing headroom, comfortable twin berths with high-density foam mattresses, plush pile carpeting, and generous storage. A 19-inch LED/LCD television and Blu-Ray DVD player are available for this stateroom, as well.

The C40’s master stateroom features its own private head compartment, with a separate fiberglass stall shower with bench seat, opening portlight with screen, vanity with vessel sink, solid-surface countertop, mirrored cabinet and plenty of storage.

The luxurious master stateroom aboard the C40 boasts an extra-wide island berth, dual end tables, both recessed and sconce lighting, a screened foredeck hatch, multiple hanging and overhead lockers to port and starboard, plush pile carpeting and en suite master head. A 19-inch LED/LCD television and Blu-Ray DVD player are available.

The C40’s second head provides a companionway door for day use, and private access from the guest stateroom. It provides a hand-held shower with curtain, 12-inch opening portlight with screen, and vanity with vessel sink, solid-surface countertop, mirrored cabinet, and under-sink storage.

The command bridge has plenty of space for owners and guests alike, with the dual adjustable captain’s chairs and plush wrap-around seating with storage beneath. Whether you’re under way or at the dock, the spacious aft sun lounge and available bridge table ensure that this command-level deck will prove to be a popular spot. A hard top is available.
LIVE THE CRUISING LIFE WITH FLAIR

Within her sleek lines and flawless profile, the C37 Coupe holds a treasure: an unmatched level of comfort that will make her your true home away from home. Aboard this two-deck yacht, you’ll find a thoughtfully designed galley, airy salon filled with natural light, two spacious staterooms with impressive amenities, abundant seating, and a remarkable 6 feet, 5 inches of headroom. And, once you open the dual salon doors, the helm, salon and galley become part of one single-level, indoor-outdoor living space for entertaining, relaxing, and simply enjoying life on the water.

Yet the C37 is more than a cruising yacht. She also is a performer. Her standard twin MerCruiser 377 Magnum Bravo Three, SeaCore stern-drive engines ensure an exhilarating top speed while her planing hull with 13-foot beam delivers a stable, smooth, and dry ride for all aboard. This is where on-water comfort meets cruising thrills, with a little extra flair.
The C37's galley, located aft of the helm station to starboard, provides all the appointments of home. You'll appreciate the solid-surface countertops, stainless steel sink with designer faucet, two-burner Ceran® cooktop, large Nova Kool® refrigerator, microwave convection oven, plenty of drawers and storage cabinets, and convenient space for a coffeemaker. Plus, hatches offer easy access to two in-floor storage areas.

The interior helm station incorporates comfortable dual seating with an adjustable captain's seat, sport steering wheel, hydraulic steering, precision electronic engine controls, trim tab controls, engine instrumentation, compass, and space for an additional navigation electronics package.

The C37's salon features generous, comfortable, wrap-around seating, sliding windows to port and starboard, a large dining table, and an entertainment center with 32-inch LCD/LED television with Blu-ray/DVD/CD player and AM/FM marine multi media radio. The aft section of the sofa backrest easily converts to create additional cockpit seating when the large salon doors are open.
The guest stateroom, located amidships to starboard, features comfortable twin berths that easily convert to a queen-size berth with a filler cushion. These accommodations also include a locking door, an opening portlight and an illuminated, mirrored hanging locker that is full-cabin height.

HEAD
The C37’s roomy head compartment provides an enclosed shower with molded fiberglass floor liner and a Plexiglas® door, a vanity cabinet with solid-surface countertop and vessel sink, a wood-framed mirror, an opening portlight and plenty of storage.

SALON
The large, U-shaped dinette boasts unparalleled views through the salon and galley windows, and through the large opening doors to the cockpit. And, it easily converts to an additional berth with the adjustable-height dining table and a filler cushion.

GUEST STATEROOM
The guest stateroom, located amidships to starboard, features comfortable twin berths that easily convert to a queen-size berth with a filler cushion. These accommodations also include a locking door, an opening portlight and an illuminated, mirrored hanging locker that is full-cabin height.

MASTER STATEROOM
The C37’s master stateroom incorporates an inviting, extra-wide island berth, opening deck hatch with screen, and window blinds, reading lights, a starboard hanging locker with mirror, overhead and shelf storage, and impressive 6-foot, 5-inch headroom. A 19-inch LED/LCD TV and Blu-Ray DVD player are available.
DISCOVER CRUISING VERSATILITY WITH A BIG-YACHT PERSONALITY

The three-deck, two-stateroom C34 Command Bridge offers real versatility, from her outstanding maneuverability and handling to her elegant living spaces. Right away, you’ll notice the aggressive, raised sheer and the hull’s bold shape. This innovative design provides an exceptionally smooth, dry, stable ride, while the twin inboard engines — direct coupled with V-drives, and with each engine’s exhaust routed to a muffler and underwater exhaust port — ensure that the C34 will be a top performer with quiet, gentle manners at all speeds. The command bridge offers unbroken 360-degree views, and the extra-wide cockpit doors and side docks provide easy access to all areas of the yacht. Then there are the wide-open living spaces, the generous cockpit, the integrated swim platform, and the many thoughtful amenities that make the gemlike C34 feel like a much larger yacht. That’s the magic of the C34. Today’s discerning boat owners are committed to embracing new experiences, to living each moment to the fullest. And this nimble, midsize cruiser will take them all the way.
C34 COMMAND BRIDGE

The spacious, airy salon boasts a U-shaped lounge, dining table, entertainment center with 24-inch LCD/LED television, Blu-Ray DVD/CD player, AM/FM marine multimedia radio, in-floor and under-seat storage, large opening windows, and plush pile carpeting. In addition, you can create one expansive indoor-outdoor living space by opening the two large doors to the cockpit.

BRIDGE & HELM

The C34’s spacious command bridge features a well-appointed helm station with an adjustable, swivel captain’s chair, till steering wheel, plenty of room for electronics, Pleeplax® wind deflector, and outstanding visibility. The bridge deck also incorporates gracious wrap-around seating with an available table, ample under-seat storage, and an aft sun lounge for enjoying lazy summer afternoons. A Bimini top is available.

GALLEY

The beautifully equipped galley, located amidships to starboard, features a Norcold® refrigerator, microwave oven, two-burner electric cooktop, full-size stainless steel sink, solid-surface countertops, and large windows that allow plenty of natural light and fresh breezes.

SALON

The spacious,airy salon boasts a U-shaped lounge,dining table, entertainment center with 24-inch LCD/LED television, Blu-Ray DVD/CD player, AM/FM marine multimedia radio, in-floor and under-seat storage, large opening windows, and plush pile carpeting. In addition, you can create one expansive indoor-outdoor living space by opening the two large doors to the cockpit.
The roomy head aboard the C34 has a fiberglass stall shower with bench seat and hinged door, and a shower head that can be used as a hand shower. It also provides a vanity with vessel sink, under-sink storage, solid-surface counter top, and mirrored medicine cabinet.

The guest stateroom, located amidships to starboard, features twin berths with Comfort Foam mattresses, reading lights, plush pile carpeting, and plenty of natural light through an in-hull window.

The C34’s roomy cockpit incorporates plenty of comfortable seating, large storage lockers for essential gear such as fenders, docklines, and cords, and easy access to the swim platform and side decks. In addition, a homelike stairway to starboard connects the cockpit to the bridge deck. For those planning to entertain frequently, a cockpit icemaker, refrigerator, and table are available.

The C34’s master stateroom offers an extra-wide island berth with Comfort Foam mattress, sconce-style reading lights, and easy access from both sides. In addition, it provides two hanging lockers, overhead storage compartments, an opening overhead hatch with screen, and plush pile carpeting. A 19-inch LED/LCD TV and Blu-Ray DVD player are available.
