On your new 440 Trojan Express by Carver, getting wet and wild just got a whole lot easier. With its available new hydraulic lift platform featuring drive-on capabilities and stowage for two personal watercraft, you can’t get any closer to the water than on your new 440 Trojan.

Yet, when its time to dry off you’ll find the 440’s new three-stateroom layout and elegant cherry wood interior both inviting and accommodating. Forward, the master stateroom features his and her cedar-lined hanging wardrobes, a queen-sized berth, and private head compartment. Aft, the portside guest suite also features a queen-sized berth, private head access, and a cedar-lined hanging locker. Starboard, a third guest stateroom features another large berth with sliding privacy door.

When its time to catch some rays, step topside and you’ll find the 440’s expansive cockpit quite accommodating with its wraparound lounge, convertible sun pad, and available wet bar. Forward, the sporty new helm console features cherry wood style dash and full Raytheon® navigation package including: plotter, GPS, VHF radio, depth sounder and radar.

Whether you choose the express version or the optional hardtop model, the 280's classic styling is designed to get you on the water fast and attract lots of favorable attention.

The Carver 280 Express SE offers wide-body stability and plenty of interior space with its 9'7" beam. Inside, the 280 sleeps 6 with convertible dinette, forward V-berth and mid-cabin. And, the 280's generous standard appointments include: an electric stove, microwave, dual voltage refrigerator, hot water, battery charger, trim tabs, shore power, AM/FM stereo w/cassette, exterior carpet, depth sounder, and plenty of storage.

Topside, the 280's list of standard amenities includes: a helm console with full instrumentation, double-wide helm seat, companion seat, cockpit table, bow pulpit and swim platform. Add the optional bimini top with side curtains and aft drop curtain, and the 280 Mid-Cabin Express SE becomes a versatile cruiser the whole family will love.

Whether out on a pleasant evening cruise or underway on a weekend adventure, Carver's 280 Voyager can comfortably accommodate five with its wide 9'7" beam.

Below deck, the 280 Voyager offers the privacy of an enclosed head compartment with shower. Sleeping accommodations include a double berth forward, convertible dinette, and bench seat.

The 280's galley arrives complete with stove, ice chest, dinette and storage. Add the 280's optional lower helm station and air conditioning and you'll keep your family cruising even in less-than-perfect conditions.

Topside, the 280's command bridge provides seating for five and a helm console with a full compliment of gauges. All, the large, self-bailing cockpit and swim deck provide the perfect platform for water sports.

Choose between single or twin-engine propulsion options for the performance that best suits your cruising needs.

If you enjoy the convenience of a single-level layout, yet search for the privacy of an enclosed forward stateroom, then step aboard Carver’s 310 Santego.

With its enclosed head with shower, traditional open-concept Santego styling, and 6’4” of cabin headroom, the 310 Santego provides unmatched value and comfort at 33 feet. Below deck, the 310 Santego features sleeping accommodations for five including a forward stateroom, convertible dinette, and a comfortable port side settee. The 310’s fully equipped galley with large appliances helps make onboard dining a pleasure.

Topside, the 310’s built-in swim platform, bow pulpit, and spacious cockpit with lounge offers plenty of room for both water sports or family cruising. The 310 Santego’s comfortable bridge arrangement with a center console provides maximum visibility while surrounding the captain with friends and family.

The new 320 Trojan Express by Carver is packed with many distinctive features you’ll find only on a Trojan. Its unique winged arch, elegant cherry wood interior, and sporty profile add a hint of European influence to this traditionally styled express cruiser.

At 34'6" long by 11' wide, the 320 Trojan is well-equipped to accommodate five. Forward, the master cabin features a double berth, privacy curtain, and hanging locker. Aft, the J-shaped lounge converts to a mid-cabin berth with privacy curtain. Amidships, a well-equipped galley features a two-burner electric stove, dual-voltage refrigerator, and sink.

Topside, the 320’s sporty, contoured dash and full complement of gauges are sure to add a splash of excitement to your cruise. And, your guests will enjoy the 320’s spacious cockpit that includes a wet bar and wraparound seating that converts to a sun lounge.

Add an available generator and air conditioning, and the 320 Trojan Express by Carver is perfect for your weekend adventure.

Specifications

Standard Equipment

Helms Equipment
- Rocket style twin tab switches
- Engine synchronizer gauge
- Hydraulic trim tabs
- Cigarette lighter
- Compass
- Engine hour meters
- Concave instrumentation; backlit speedo, tachometer
- Electric fuel gauge
- Hydraulic steering

Galley and Head
- Stainless steel polished round galley sink
- Stove, stainless steel, two burner, under-mounted
- Refrigerator/freezer, under-counter
- Stainless steel double basin sink
- Single handle kitchen faucet
- Stainless steel, built-in microwave

Electrical
- 12 volt DC batteries (2), 105 amp charger
- 35A battery charger system
- Volts/amps meter
- Dockside weather, 110 volt AC, 30A w/ 50 ft. shore power cord
- Cabin lighting, 12 volt DC
- 12 volt DC winch

Functional/Safety
- Wired stereo speakers: 2-salon, 2-bridge
- Wired TV/intercom system
- Automatic bilge pumps (2)
- Dual electric bilge pumps
- Gravity bilge ventilation with electric bilge blower
- Carbon monoxide monitoring system, located in salon, forward and side sunroo
- Halogen flood lighting
- Galley lighting

Optional Equipment

Galley, Interior & Head
- Lower station helm & controls
- Air conditioning w/heat cycle and dual ducts
- Color TV w/remote in salon
- Color TV in forward stateroom
- Gray water tank
- 2-burner propane stove
- Shore water connection
- IV & telephone duke side connections
- Water tank storage
- AM/FM stereo w/cassette
- AM/FM stereo w/cassette & CD w/remote control
- Electric head w/sanitizer

Exterior
- Full canvas w/exteriors
- Electronics panel
- Battery cover
- Electric remote spotlight
- Windlass

Safety & Miscellaneous
- Storage/ship's chest
- Painted salon exterior
- Stabilizer (protective covering for storage)
- FWC Mercruiser, Volvo, Crusader
- Spare props & shaft
- Redline speed indicator (inboard)

Propulsion Systems

Twin V-Drive Inboard - Gas
- 350 MAG MPI Mercruiser (standard)
- 350 XLI Plus Crusader
- 5.7 Mercruiser
- 350 XLI Plus Crusader

Twin V-Drive Inboard - Diesel
- 482 750 Cummins
- TAMD-41 P Volvo

Estimated Performance

350 MAG MPI Mercruiser
- Cruise Range: 2400 RPM (25.7 - 26.4)
- WOT: 35.9 MPH

Carver Boat Corporation • P.O. Box 1010 • Pulaski, WI 54162 • 920-822-1600

Carver Boat Corporation reserves the right to change prices, colors, materials, equipment specification or models without notice. Models may be discontinued without obligation to previous purchasers. Illustrations may include optional equipment. Some electrical equipment is only offered in 120/240V, check with your Carver dealer for availability outside the U.S. markets.
The smallest of Carver's aft cabin fleet, the 325 Aft Cabin packs many of the features of her larger siblings - including an optional electronics arch and enclosures. Constructed of aluminum, this electronics arch not only provides an ideal location for your radar equipment, but also supports an available aft deck hardtop with soft enclosures.

Topside, the 325's centerline helm and bridge arrangement, featuring a wraparound control console with full instrumentation, surrounds the captain with friends and family while providing maximum visibility while maneuvering.

Below deck, the 325's aft stateroom features two inner-spring berths, abundant storage space, and a mirrored vanity with sink and storage. And, for the chef, the 325's galley includes a 2-burner electric stove, dual voltage refrigerator/freezer, and options like a microwave and coffee maker. Combine these features with sleeping room for 6 and the 325 becomes an excellent choice for a sunny cruise or an exciting weekend adventure.
Specifications

Standard Equipment

Helm Equipment
- Rocker style trim tab switches
- Engine synchronizer gauge
- Electric/hydraulic trim tabs
- Cigar lighter
- Compass
- Engine hour meters
- Console instrumentation: backlitved fuel, oil & temperature gauges, tachometer & voltmeter
