The smallest of Carver’s aft cabin fleet, the 325 Aft Cabin packs many of the features of her larger siblings - including an optional electronics arch and enclosures. Constructed of aluminum, this electronics arch not only provides an ideal location for your radar equipment, but also supports an available aft deck hardtop with soft enclosures.

Topside, the 325’s centerline helm and bridge arrangement, featuring a wraparound control console with full instrumentation, surrounds the captain with friends and family while providing maximum visibility while maneuvering.

Below deck, the 325’s aft stateroom features two inner-spring berths, abundant storage space, and a mirrored vanity with sink and storage. And, for the chef, the 325’s galley includes a 2-burner electric stove, dual voltage refrigerator/freezer, and options like a microwave and coffee maker. Combine these features with sleeping room for 6 and the 325 becomes an excellent choice for a sunny cruise or an exciting weekend adventure.

Specifications

Standard Equipment

Helm Equipment
- Rocker style trim tab switches
- Engine synchronization gauge
- Electric/hydraulic trim tabs
- Cigar lighter
- Compass
- Engine hour meters
- Console instrumentation: backlit fuel, oil & temperature gauges, tachometer & voltmeter
- Hydraulic steering system

Exterior
- Acrylic aft deck weather deck
- Windshield wipers
- Welded stainless steel bow and safety rail	
taped into 1/4" aluminum plating
- Stainless steel deck handrails: 2-10" bow cleat, 2-8" spinnaker cleat, 2-
  10" stern cleat & 1-1/2" swoon cleat
- Weather-resistant deck lush with screen & larch adjuster
- Navigation lights (USCG/NMMA approved)
- Command bridge w/control console, venturi windshield, sliding pilothouse, L-
  shaped lounge & storage
- Auto-folding, bottom panels
- Heavy-duty stainless steel canister
- Windshield wiper/mirror
- Vetuscontrols
- Fiberglass bow pulpit w/stainless steel rail &
- Stainless steel fender rack
- Swim platform

Galley and Head
- Personalized hot/cold water system, 12
dc pump supplies water thru 1/2" line
- 40 gallon fresh water, 2-20 gallon
- 11 gallon water heater
- Engine heat exchanger for hot water
- 2-burner electric stove
- Dual-voltage refrigerator/freezer
- Galley sink
- Cockpit drainage with manual head
- 20 gallon holding tank
- Head compartment w/stall shower and
- Concentric vanity with sink & storage

Functional/Safety
- Tinted windows/doors
- Automatic bilge pumps (3)
- Gravity bilge ventilation with electric bilge blowers
- Dual electric emergency horn
- Carbon monoxide monitoring system, located in galley & aft cabin
- Galley floor
- Bathing system
- Fuel tank selector valves

Electrical
- 12V DC batteries (12), 105 amp
- 15A battery charger system
- Voltmeter/ammeter
- Dockside water, 110 volt AC, 30A w/
  50 ft. shore power
- Cabin lighting, 12 volt DC
- 12 volt DC lighting w/daylight
- Anchor windlass
- Exterior courtesy lights
- 110 volt AC receptacles located throughout

Optional Equipment

Galley, Interior & Head
- Lower station helm & controls w/3
  windshield wipers
- Air conditioning w/heat cycle & dual
dockside
- Grey water holding tank
- Microwave
- 2-burner propane stove w/oven
- Coffee maker
- Central vacuum system
- Shore power connection
- Water tank monitor
- AM/FM stereo w/cassette
- AM/FM stereo w/cassette & CD w/
  wireless remote
- TV & telephone dockside connections
- Vacuum head system
- Electric head system
- Overboard discharge (to seawater only)
- Salon chair (not available with lower
  laces)
- Salon sofa with double inlines
- Accent pillows (6)
- Wiper arm level indicator
- Intercom system
- Electric step w/oven
- Lock box
- Hardwood galley flooring
- Private forward stateroom with
  bulkhead and door
- Elite interior upgrade package

Electrical
- Generators: 4.0 or 6.5 kw gas
- 5.0 kw diesel
- 30A dockside adapter(s)

Exterior
- Full canvas w/extension canopy (bridge)
- Bridge cover
- Electric remote spotlight
- Windlass
- Hoodshower, hot/cold, transom-mounted
- Aft deck hatch with electronics box
- Electronics box
- Aft deck hatch with electronics box
- Aft cockpit enclosure with
- EXT. access door
- Raw water washdown

Safety & Miscellaneous
- Sea water strainers, external & internal
- Transom storage box
- Stainless steel fender rack (bow rail
  mounted - not available w/lower station)

Propulsion Systems

Twin Inboard - Gas
- 350 MAG MPI Mercruiser (standard)
- 350 XI PLUS Crusader
- 5.7 Mercruiser
- 350 XI PLUS Crusader

Twin Inboard - Diesel
- TAM 41 P Volvo
- AB 250 Crusaders

Estimated Performance

350 MAG MPI Mercruiser
- Cuts: Range
  RPM (3200 - 3400)
  MPH (22.2 - 25.7)
  WOT: 34 MPH
