Follow her eloquent curves and striking lines as they ascend her distinctive arch. You'll sense her fine breeding and rich Italian heritage as you discover an express yacht with a level of sophistication equal to your own. Introducing the 350 Trojan Express by Carver.

At 37'8", the new 350 is a midsize express yacht. Yet, within her sleek profile you'll find a surprisingly spacious cabin offering the superior luxury and comfort of granite-style countertops, designer hardware and fixtures, and cherry wood cabinetry and trim.

Below deck, the new 350 can accommodate 5 overnight. The master stateroom forward features a queen-size berth, his and hers cedar lined hanging lockers, and plenty of drawer storage. Aft, the U-shaped salon sofa also converts to a mid-cabin double berth and features a privacy curtain. Amidships, the dinette converts to a single berth.

Sun worshippers will enjoy the recessed, double-wide foredeck sun pad and the spaciousness of the expansive cockpit. U-shaped cockpit seating with available table, sun lounge, refrigerator and ice maker help create the perfect package for a great afternoon of entertaining.

Add an available generator and air conditioning, and a fully equipped galley complete with two-burner range, microwave, and dual voltage refrigerator/freezer, and the 350 offers you the perfect overnight package as well.
