Step inside Carver's 355 Aft Cabin and you'll feel like you're stepping into a much larger boat. With it's wide 13'3" beam, the 355 can easily accommodate a party of eight - and keep them entertained.

Below deck, the 355 provides sleeping accommodations for eight including a master stateroom afloat, convertible dinette, available Flexsteel® sofa with magic bed, and a forward stateroom. The 355 also offers a complete galley, entertainment features like a color TV and VCR, and two head compartments each with a shower.

Topside, the 355's bridge offers seating for six, full instrumentation, and plenty of storage. Step down and the 355's entertainment-ready aft deck with available wet bar and icemaker provides an ideal site for entertaining or relaxing.

Add a Euro-style transom with integral swim platform and staircase, and the 355 Aft Cabin becomes as easy-to-board as a runabout, yet offers all the luxuries of a motor yacht.
