Topside, the Carver 380 Santego has direct access to the foredeck with her convenient walk-thru feature. She also features walk-around side decks, command bridge with double-sided helm seat, and swim platform with integrated storage.

Below deck, the 380 Santego’s interior offers spacious, open concept styling that provides sleeping room for 4, with an island berth in the master stateroom, and a wrap-around dinette which converts to a double berth.

A fully-equipped galley, wet bar, head compartment and shower stall are just a few more of her standard features.
Specifications
