Pure Trojan. That's what you'll find when you step aboard the new 400 Trojan Express by Carver. From the characteristic winged arch and luxurious cherry wood interior, to the exhilaration and performance of the modified V-hull, the new 400 is Trojan through and through.

Topside, sunbathers will enjoy the recessed, double-wide foredeck sun pad and the spaciousness of the expansive cockpit. With its U-shaped seating and available table, sun lounge, and refrigerator or icemaker, the 400's cockpit provides the perfect package for a great afternoon of entertaining.

When the sun goes down, you'll find plenty of accommodations below deck. Forward, the master stateroom features a queen-sized berth and private access to the head compartment. Amidships, the large dinette converts to a double berth. Aft, the U-shaped salon sofa also converts to a mid-cabin double berth and features a privacy curtain.

The 400's galley arrives fully-equipped with coffee maker, stove, microwave, refrigerator/freezer, and a molded-in Avonite® sink. Add an available generator and air conditioning, and the new 400 Trojan Express by Carver becomes the perfect weekend cruiser.
Specifications
