With over 100 square feet of aft deck floor space, and an optional aft deck wet bar with icemaker, Carver's new 405 Aft Cabin is well-optioned for fun-in-the-sun. In fact, with this much space topside, you may never have to take your party below deck again.

Whether fully equipped with the optional enclosures or with the optional aft deck hardtop with arch, you'll notice there's plenty of room to roam topside this yacht.

As roomy below deck as it is above, the 405's salon includes an L-shaped Flexsteel® sofa with double incliners and love seat and adjacent entertainment center with a TV/VCR and optional home rack stereo system with receiver, dual cassette, and CD Player.

Aft, the 405 features a magnificent stateroom that includes an oversized queen berth, inner-spring mattress, abundant storage space, large hanging locker, and plenty of walkaround room. Add the convertible dinette, salon sofa bed, and a comfortable forward stateroom, and the 405 can easily accommodate a party of seven.

CARVER YACHTS
Specifications
