With over 100 square feet of aft deck floor space, and an optional aft deck wet bar with icemaker, Carver's new 405 Aft Cabin is well-optioned for fun-in-the-sun. In fact, with this much space topside, you may never have to take your party below deck again.

Whether fully equipped with the optional enclosures or with the optional aft deck hardtop with arch, you'll notice there's plenty of room to roam topside this yacht.

As roomy below deck as it is above, the 405's salon includes an L-shaped Flexsteel® sofa with double incliners and love seat and adjacent entertainment center with a TV/VCR and optional home rack stereo system with receiver, dual cassette, and CD Player.

Aft, the 405 features a magnificent stateroom that includes an oversized queen berth, inner-spring mattress, abundant storage space, large hanging locker, and plenty of walkaround room. Add the convertible dinette, salon sofa bed, and a comfortable forward stateroom, and the 405 can easily accommodate a party of seven.

The 430 Cockpit Motor Yacht features a roomy cockpit aft and two large private staterooms. Aft, the stateroom has direct access to the cockpit, a queen size inner-spring berth, hanging lockers and private head compartment with shower. Forward, the guest stateroom includes a large double berth, private access to the head compartment and plenty of storage.

The 430 Cockpit Motor Yacht has a fully-equipped galley which is conveniently located near the dinette/lounge. Her salon features a generous L-shaped Flexsteel® sofa with double inliners, and plenty of room to entertain.

Topside, the 430's large aft deck, comfortable bridge arrangement, cockpit and foredeck sunpads make cruising a pleasure.

**Carver Boat Corporation • P.O. Box 1010 • Pulaski, WI 54462 • 920-822-1600**

Carver Boat Corporation reserves the right to change prices, colors, materials, equipment specifications or models without notice. Models may be discontinued without obligation to previous purchasers. Illustration may include optional equipment. Some electrical equipment is only offered in BDY mode, check with your Carver dealer for availability outside the U.S. markets.
The 445’s new look begins with its extra-wide, integral boarding platform. With a full eight inches more swim platform length than its predecessor, the 440 Aft Cabin, there’s much more room for water sports on this stylish new transom.

For maximum convenience and safety, this expanded boarding platform now features new, integral staircase-style steps surfaced with nonskid and guarded by a stainless steel hand rail. Easy-to-access shore water and shore power connections, mounted conveniently on the transom, help make powering up a breeze. Add the specially designed optional transom storage locker for stowing mooring lines or swim gear, and the 445’s new transom is as functional as it is stylish.

Once inside Carver’s new 445, you’ll admire the expanded master stateroom. With nine inches of added walkaround space beside the suite’s oversized queen island berth, you’ll find there’s plenty of room to roam inside this expanded master suite. And, for maximum ventilation, the 445’s master suite now features a sliding glass window with screen allowing a free flow of air into the master cabin.

**Specifications**

Carver Boat Corporation • P.O. Box 1010 • Pulaski, WI 54162 • 920-822-1600
While the 455's three stateroom floor plan provides sleeping accommodations for up to eight, the available two stateroom layout offers increased living area with the added flexibility of a moveable dinette and Flexsteel® furniture. You choose the floor plan that best suits your boating lifestyle.

Choose either floor plan and you'll enjoy the comfort of a master stateroom with complete with an inner-spring, queen-sized island berth, and private head compartment. Forward, a private guest suite also features a queen-sized island berth and private access to the forward head compartment. For the chef, 455's unique galley-up design offers a full compliment of appliances and convenient access from both topside and below.

Topside, the 455's integral transom staircase and stainless steel handrail make boarding easy. And, the large integral transom locker provides plenty of stowage for mooring lines or swim gear. Choose the available aft deck and bridge hard-tops with enclosures, wing doors, and air conditioning, and cruising Carver's 455 Aft Cabin is sure to be a pleasure.

Carver Boat Corporation • P.O. Box 1010 • Pulaski, WI 54162 • 920-822-1600

Carver Boat Corporation reserves the right to change price, colors, materials, equipment specifications or models without notice. Models may be discontinued without obligation to previous purchasers. Illustration may include optional equipment. Some electrical equipment is only offered in 1997/ 1998, check with your Carver dealer for availability outside the U.S. markets.
Carver’s largest aft cabin cruiser, the 500 Cockpit Motor Yacht, blends true motor yacht luxury with open air excitement. Topside, the 500’s spacious cockpit, swim platform and integral staircase provide easy boarding and the perfect stage for water sports.

Below deck, the 500 offers two lavish floor plans. The first, a standard three-stateroom layout, offers sleeping accommodations for eight. The second, an available two-stateroom version, offers a large entertaining area and the flexibility of a movable dinette and furniture.

Either floor plan provides a master suite aft with a queen, inner-spring island berth, private head with stall shower, and direct access to the cockpit. Forward, a second master suite features an island berth and private access to a complete head with stall shower. For the chef, 500’s unique galley-up design offers a full compliment of appliances and convenient access from both topside and below.

Combine these features with an oversized salon, aft deck hardtop, available aft deck and bridge enclosures with air conditioning, and a variety of entertainment options, and the Carver 500 CMY becomes perfect for an evening cruise or that extended vacation.
