With its integral swim platform and staircase, the 355 Aft Cabin is as easy-to-board as a runabout yet with all the luxuries of a motor yacht.

The 355 features a wide 13'3" beam, offering an open, spacious interior. Below deck the 355's layout includes a convertible dinette and forward stateroom which, when the kids are along, can convert to a V-berth. The 355 also offers a large master stateroom aft, a complete galley and two head compartments each with a shower.

Topside, the 355 includes a comfortable bridge with plenty of storage and a handy chart compartment. Plus, the spacious aft deck offers pleasant evening entertaining or a cozy corner for reading the morning paper.
355 Aft Cabin Motor Yacht
