The Carver 370 Aft Cabin Motor Yacht is a fresh approach to traditional design values. The exterior lines blend together to create a stylish profile with a hint of European influence. The wide-body hull, with its 13’10” beam, provides a roomy cabin layout that offers comfort and privacy.

Below deck, the 370 Aft Cabin features two staterooms, two head compartments and a convenient galley-dinette arrangement. And, in true Carver fashion, there is plenty of storage space.

There are plenty of amenities to make the 370 Aft Cabin Motor Yacht ideal for the extended cruise.
