

T R O J A N

440 EXPRESS

Designed by DeSimoni yacht design of Milan, Italy, the new Trojan® 440 is a superbly different yacht! Very elegant, very luxurious, and very leading edge in every sense of the word. The high tech control console and air conditioning outlet at the helm, illustrate the ergonomic design, while the elegant cockpit seating and wet bar with built-in refrigerator and icemaker add to the luxury. Below decks, the luxurious salon features a curved, plush couch and a 20" color TV and VCR. The two private staterooms have private access to their own head compartments. There's even a third stateroom available as an option.

We think you'll agree, the wide-body Trojan® 440 Express is an exceptional yacht to own.

S P E C I F I C A T I O N S
