Carver's newest three-stateroom extended cruiser, the 500 Cockpit Motor Yacht, blends true motor yacht luxury with open air excitement. Topside, the 500's spacious cockpit, swim platform and integral staircase provide easy boarding and the perfect stage for water sports or a relaxing open-air cruise.

Below deck the 500's lavish interior includes a master suite aft with a queen, inner-spring island berth, private head with separate stall shower, and direct access to the cockpit. Forward, a second master suite provides an island berth and private access to a complete head with tub and stall shower. And, for the chef, the 500's raised galley offers full-size appliances and convenient access to all decks.

Combine these features with an oversized salon, aft deck hardtop, available bridge enclosures and a variety of entertainment options, and the Carver 500 CMY becomes perfect for an evening cruise or that extended vacation.
Preliminary Standard Equipment

**Helm Equipment**
