The new Carver 325 features an integral swim platform with staircase for contemporary styling and easy boarding. She definitely follows suit with her sister ships, the 355, 370, 390 and 440 Aft Cabins. Her 11'10" beam provides more amenities than you could imagine on a 30 footer. The master stateroom aft has sleeping accommodations for three with both a double and single berth, and for your convenience, there is a vanity with sink.

The 325’s galley has a 2-burner alcohol/electric stove and a dual voltage refrigerator/freezer, with an adjacent convertible dinette.

The salon offers an L-shaped sofa sleeper and a spectacular view through the large forward windows.
