The Carver 330 Mariner offers plush seagoing accommodations. The spacious bridge provides a comfortable all weather command center and is accessible from the main cabin or the cockpit.

The 330's salon has party-size space with seating for eight, including a convertible dinette that adds extra sleeping room. The single-level floor plan includes an owner's stateroom with large double berth and private entrance to the roomy head compartment. Double-door refrigerator/freezer and spacious storage areas are the finishing touches in the 330's galley.
