The new 355 Aft Cabin provides you with all the luxuries of a motor yacht. The 355 features an integral swim platform with staircase for contemporary styling and easy boarding. Her wide 13'3" beam provides an open and spacious surrounding. A convertible dinette and forward stateroom with double berth, which can also be used as a V-berth when the kids are along on the cruise, are just a few of the 355's most noted features.

The 355 has a large master stateroom aft, a complete galley and two head compartments with shower.

Topside, the 355 features a comfortable bridge with a handy chart compartment, and a wonderful aft deck for reading the morning paper or evening entertaining.
