Carver's 380 Express combines a sporty exterior with an interior well suited for extended cruising. Her master stateroom features an island berth and direct access to the head compartment. Her mid-cabin is equally accommodating with double berth and standing headroom. Galley amenities include a full-size double door refrigerator, alcohol/electric stove and microwave. And the 380's head compartment features a fiberglass stall shower.

Her exterior, with integral swim platform, roomy cockpit and wet bar, is the perfect setting for swimming, sunning and entertaining.
