Traditional styling, full-size bridge and cockpit are the 300 Sedan’s main attractions. Below deck there is sleeping accommodations for six with a double berth forward, convertible dinette and sofa. The wide beam along with the large salon windows provide an open and spacious cabin. She has a complete galley, comfortable dinette and head compartment with shower. And with a choice of two floor plans, the 300 Sedan is perfect for all kinds of cruising adventures.

Topside, you’ll find a command bridge with seating for five, which converts to a sun lounge, and a roomy cockpit.
