The Carver 370 Aft Cabin Motor Yacht is a fresh approach to traditional design values. The exterior lines blend together to create a stylish profile with a hint of European influence. The wide-body hull, with a 13'10" beam, facilitates a cabin layout that offers comfort and privacy. Interior accommodations include two private staterooms, two head compartments and a convenient galley-dinette arrangement. And in true Carver fashion, there is plenty of storage space.

Amenities? There are plenty. The 370 Aft Cabin Motor Yacht, ideal for extended cruising.
