Fresh traditional styling combine comfort & versatility on the new Carver 370 Voyager.

With master stateroom forward, mid-cabin, convertible dinette and sofa/sleeper there is sleeping room for eight. Along with the dinette being on the same level as the galley, for ease of entertaining, it also has seated visibility while underway. Optional lower helm, auxiliary fuel tank and plenty of storage make the 370 Voyager perfect for extended cruising.

Topside, the new 370 Voyager offers a large command bridge with seating for six, sun lounge, and European-style transom with swim platform, stow-away ladder and transom mounting pads for davits.
