

33 **Aft Cabin**

The Carver 33 Aft Cabin provides you with all the luxuries of a motor yacht. Overall her wide 13'3" beam provides an open and spacious surrounding. Some of her more noted features include a dinette which converts to a double berth and a forward stateroom with a double berth which can also be used

as a V-berth when the kids are along on the cruise! And of course the new 33 has a large master stateroom aft, a full galley and two head compartments. Topside, you'll find a comfortable bridge, with a handy chart compartment, and a wonderful aft deck for reading the morning paper or evening entertaining.
