

634 **Santego**

The Carver 634 Santego offers contemporary styling in a low-profile command-bridge cruiser. The large cockpit and command bridge provide plenty of room to relax. Swimmers will enjoy the integral swim platform with ladder and, for those who do the docking, there's built-in fender racks.

Below deck, the 634 sleeps five with a double berth forward, a convertible dinette/lounge and a sofa. The galley offers an alcohol/electric stove and dual-voltage refrigerator. The head compartment is complete with shower and vanity.
