

# 27

## Montego

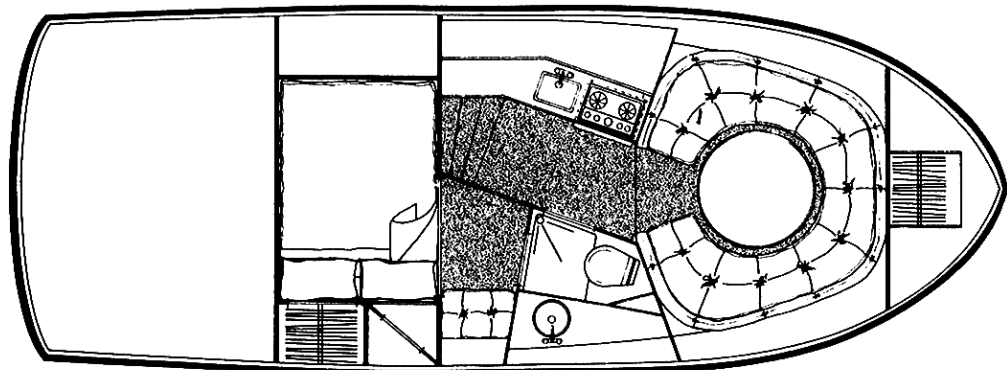

The Carver 27 Montego features high styling with double cabin privacy. The mid-cabin is furnished with a double berth, stand-up dressing area and convenient access to the head compartment. The main cabin features a large, well-

equipped galley with generous storage. Topside, the cockpit offers comfortable seating for six including a double-width helm seat, companion seat and six-foot lounge. The foredeck features twin padded sun lounges. The swim platform is built in.

### SPECIFICATIONS

LOH	27'3"
Standard LOA	31'7"
Maximum LOA	31'7"
Beam	10'0"
Draft	34"
Bridge Clearance	9'0"
Deadrise at Transom	19°
Dry Weight (approx.)	6,900 lb.
Cabin Headroom	6'2"
Sleeping Capacity	4
Fuel System Capacity	120 gal.
Water System Capacity	41 gal.
Waste Capacity	9 gal.

# Carver 27 Montego

## STANDARD EQUIPMENT

### Exterior

Welded SS bow and safety rails  
Two foredeck hatches  
Navigation lights (NMMA approved)  
Teleflex console instrumentation includes back-lighted fuel and oil pressure gauges, tachometer, voltmeter and temperature gauge  
Double-width helm seat  
72" x 20" cockpit lounge seat/sun lounge  
23" x 23" cockpit dinette table  
7'6" x 5'5" fiberglass self-bailing cockpit  
SS deck hardware, including foredeck mooring bitt, two 8" springline cleats and two 8" stern cleats  
Fiberglass bow pulpit  
Anti-skid fiberglass decks  
Fiberglass swim platform with ladder  
Convertible top with boot  
Two 33" x 74" foredeck sun lounges  
9.87 cu. ft. total cockpit storage

### Propulsion

Single stern drive - gas  
7.4L Bravo I MerCruiser  
AQ740 Volvo Duo-Prop  
Twin stern drive - gas  
AQ171 Volvo  
4.3LX MerCruiser  
AQ205 Volvo Duo-Prop  
Twin stern drive - diesel  
AQAD 31 Volvo Duo-Prop

### Design

The Carver 27 running bottom incorporates a modified V-warped plane design that features a sharp entry at the stem (forward) which cuts rough water for a soft ride. Four lifting strakes and wide hard chines are designed to provide additional lift and stability. Further aft, the hull gradually decreases in degree of "V" to provide efficient, fuel-saving performance.

Waterline length \_\_\_\_\_ 22'6"  
Waterline beam at transom \_\_\_\_\_ 8'3"  
Freeboard aft \_\_\_\_\_ 39"  
Freeboard forward \_\_\_\_\_ 51"

### Construction

Hand layup method of construction guarantees the proper fiberglass to resin ratio, assuring consistent laminate strength throughout. The hull is made up of several carefully applied layers of 1½ oz. random strand mat and 24 oz. woven roving fiberglass. Generous overlap of these layers in the keel and chines increases hull strength, impact resistance and overall structural integrity.

The fiberglass hull is strongly reinforced with an extensive network of longitudinal and lateral stringers bonded to the hull by 24 oz. woven roving fiberglass. A strong fiberglass liner gives additional structural support to the bow section, bonding the forward stringers and engine room bulkhead in place.

Superstructure and deck surfaces are fiberglass-reinforced with ½" end grain balsa; and ½" plywood is used in areas of hardware installation. The deck is firmly secured to the hull by fiberglass adhesive and SS screws, and sealed by a heavy gunwale molding.

Every Carver boat is thoroughly inspected at each step of the construction process to guarantee it meets our demanding, high-quality standards.

### Galley and Head Compartments

Pressurized 41 gal. hot/cold water system  
6 gal. water heater  
Kenyon 2-burner recessed alcohol stove with 1 qt. fuel tank  
Upright ice chest with removable shelf and in-door storage  
Mansfield marine head with 9 gal. holding tank  
Access to head compartment from cabin or private entry from midship stateroom  
Convenient vanity with pressure water, SS sink and mirror  
Total head compartment storage of 8.07 cu. ft.  
Total galley storage of 12.91 cu. ft.  
Hot and cold pressure shower  
Engine heat exchanger

### Functional/Safety

Windows, lightly tinted, encased in welded aluminum extrusion  
Automatic, electric bilge pump  
Gravity bilge ventilation with electric bilge blower  
Galvanic isolator  
Fireboy Halon fire extinguisher system  
Signalone electric horn mounted on foredeck  
Carbon monoxide monitoring system  
Windshield wiper

### Electrical

Marine-quality battery with cold-cranking amperage of 405 (reserve capacity 153 minutes)  
Main battery switch located in starboard storage compartment in cockpit  
Dockside wiring, 30 amp, 120 VAC with a 50 ft. shore cable includes duplex receptacles in the V-berth, galley, head compartment and mid-cabin  
Cabin lighting, 12V  
U.S. Coast Guard-approved navigation and anchor lights  
Two exterior courtesy lights in cockpit

### Interior

Dinette converts to a large 92" x 79" berth  
13.41 cu. ft. dinette/berth storage  
Midship stateroom  
54" x 75" double berth  
9.26 cu. ft. mid-cabin storage  
Color-coordinated carpeting, draperies and upholstery  
Plush, stain- and soil-resistant 100% nylon carpeting  
Fully lined 100% cotton drapes protected by Scotchguard

### OPTIONAL EQUIPMENT

#### Helm Equipment

5" or 7" spotlight - electric remote control  
Bennett electric/hydraulic trim tabs  
Electric windshield wiper (port)  
Compass  
Engine hour meters(s)  
Synchronizer for twin engines  
Cigar lighter

### Galley and Interior

Norcold dual-voltage refrigerator  
Recessed Princess alcohol/electric stove  
Recessed Kenyon propane stove  
Cassette stereo with AM/FM radio  
Air conditioning with reverse cycle heat  
Decorator pillows

### Weather Covers

Convertible top enclosure with aft seat cover  
Camper top with boot

### Heads

Raritan crown electric head with holding tank  
15 gal. auxiliary holding tank  
Overboard discharge for head (coastal markets only)

### Electrical

Additional battery  
Two heavy-duty batteries (530 cold cranking amps)  
20 amp battery charging system  
Voltmeter/ammeter kit for 120V dockside  
30 amp dockside adaptor(s)

### Exterior

Cockpit pressure seawater washdown  
Heavy-duty gunwale molding  
Exterior cockpit carpet

### Propulsion

Engine fresh water cooling

### Safety and Miscellaneous

4 lb. portable fire extinguisher  
Shipping cradle
