

# 28

Mariner/  
Voyager

The Carver 28 Mariner/Voyager is one of the most versatile family cruisers you can own. Topside, the 28 is available with venturi windshield, comfortable seating for five, and a cruising dinette that converts to a large sun lounge. Or you can

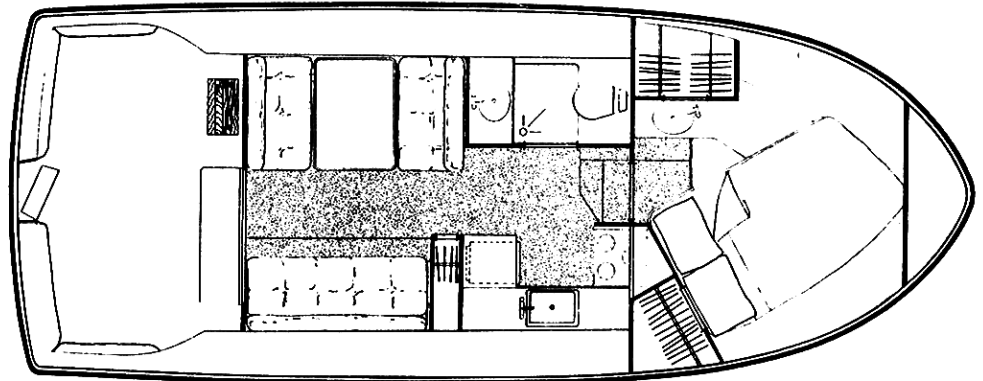

choose the skiff windshield for all-weather cruising, pivoting helm seat and full-length lounge with cruising dinette. The main cabin offers a choice of floor plans designed to provide all-around seated visibility.

## SPECIFICATIONS

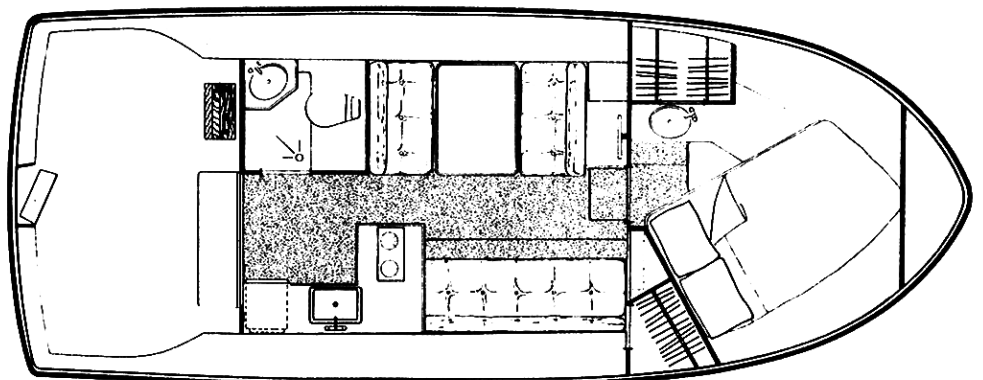

LOH	28'0"
Standard LOA	28'0"
Maximum LOA	31'8"
Beam	11'1"
Draft	34"
Bridge Clearance	9'11"
Deadrise at Transom	10°
Dry Weight (approx.)	10,300 lb.
Cabin Headroom	6'3"
Sleeping Capacity	6
Fuel System Capacity	150 gal.
Water System	51 gal.
Waste Capacity	20 gal.

## UNDERWATER GEAR

Propeller Shafts	
Twin Inboard	1 1/4" dia SS
Rudders	Bronze with 1 1/4" SS shafts
Struts	Heavy-duty bronze alloy

28 Mariner

28 Voyager

# Carver 28 Mariner/Voyager

## STANDARD EQUIPMENT

### Exterior

Bottom paint, anti-fouling  
SS bow rail and safety rails with SS fittings  
Foredeck hatch with screen  
Navigation lights (NMMA approved)  
Command bridge includes control console, skiff or venturi windshield, helm bench seat, cocktail table, convertible sun lounge and storage  
Teleflex console instrumentation includes back-lighted fuel and oil pressure gauges, tachometer, voltmeter and temperature gauge  
46.6 sq. ft. self-bailing cockpit  
SS deck hardware, including four 8" springline cleats, two 10" stern cleats and 10" bow cleat  
Anti-skid fiberglass decks

### Propulsion

Twin V-drive inboard - gas  
305 CID Crusader  
231 Volvo  
Twin V-drive inboard - diesel  
TAMD 31 Volvo

### Design

The Carver 2897/27 incorporates a modified V running bottom. The forward stem utilizes a sharp, full entry to cut rough water for a smooth ride. Lift and stability are accomplished by four lifting strakes and wide, hard chines. The hull gradually decreases in degree of "V" at the transom to provide efficient, fuel-saving performance. Positive tracking performance is due to a short molded keel.

Waterline length \_\_\_\_\_ 24'0"  
Waterline beam at transom \_\_\_\_\_ 9'6"  
Freeboard aft \_\_\_\_\_ 36½"  
Freeboard forward \_\_\_\_\_ 54"

### Construction

Hand layup method of construction guarantees the proper fiberglass to resin ratio, assuring consistent laminate strength throughout. The hull is made up of several carefully applied layers of 1½ oz. random strand mat and 24 oz. woven roving fiberglass. Generous overlap of these layers in the keel and chines increases hull strength, impact resistance and overall structural integrity. One layer of 4 mil. coremat is encapsulated into the hull sides to develop a very rigid structure.

Superstructure and deck surfaces are fiberglass reinforced with ½" end grain balsa; and ½" plywood is used in areas of hardware installation. The deck is firmly secured to the hull by fiberglass adhesive and SS screws, and sealed by a heavy gunwale molding.

Every Carver boat is thoroughly inspected at each step of the construction process to guarantee it meets our demanding, high-quality standards.

### Galley and Head Compartments

Pressurized 51 gal. hot/cold water system  
11 gal. water heater  
Princess alcohol/electric stove  
Deep basin SS sink  
Norcold double-door refrigerator/freezer

Raritan head with 20 gal. holding tank  
Pressure hot/cold shower with curtain  
Convenient vanity with pressure water, SS sink and mirror  
Forced air exhaust ventilation in head compartment

### Functional/Safety

Windows, lightly tinted, encased in welded aluminum extrusion  
Two automatic, electric bilge pumps  
Gravity bilge ventilation with electric bilge blower  
Electric single-trumpet horn  
Shipping cradle  
Fireboy Halon fire extinguisher system  
Carbon monoxide monitoring system  
Galvanic isolator

### Electrical

Two marine-quality batteries with cold-cranking amperage of 405 (reserve capacity 153 minutes)  
Dockside wiring, 30 amp, 120 VAC with a 50 ft. shore cable  
Cabin lighting, 12V  
U.S. Coast Guard-approved navigation and anchor lights

### Interior

Salon includes built-in settee with 4-place dinette that converts to a full-size double berth  
Forward stateroom  
Large double berth with convenient vanity  
Generous storage  
Color-coordinated carpeting, draperies and upholstery  
Plush, stain- and soil-resistant 100% nylon carpeting  
Fully lined 100% cotton drapes protected by Scotchguard

## OPTIONAL EQUIPMENT

### Helm Equipment

Lower station helm controls (Voyager)  
5" or 7" spotlight - electric remote control  
Bennett electric/hydraulic trim tabs  
Electric dual-trumpet horn  
Compass  
Engine hour meters  
Synchronizer for twin gas engines  
Cigar lighter

### Galley and Interior

3-burner electric stove with microwave oven  
3-burner electric stove with oven/broiler  
Recessed propane stove  
3-burner propane stove with oven  
Maxxima AM/FM receiver with stereo cassette player  
Engine heat exchanger  
Water tank monitor gauge  
Air conditioning with reverse cycle heat  
Decorator pillows  
Shore water adaptor

### Weather Covers

Bimini top  
Bimini top enclosure  
Bridge cover

### Heads

Raritan crown electric head  
Raritan electric flow-thru head  
Overboard discharge for head (coastal markets only)

### Electrical

Two heavy-duty batteries (530 cold cranking amps)  
20 amp battery charging system  
Dual-dockside, 120V-30A  
3.0 KW Onan generator  
Dockside adaptor(s)  
Hour meter for generator

### Exterior

Cockpit pressure washdown  
Electric windlass  
Fiberglass swim platform with ladder  
Fiberglass bow pulpit  
4 lb. fire extinguisher  
Heavy-duty gunwale molding  
Fender rack  
Cockpit and bridge carpet

### Propulsion

Engine fresh water cooling  
Fuel tank selector valves  
Spare props and shaft  
Strainers
