

# 32

Aft Cabin

The Carver 32 Aft Cabin offers the luxury of two private staterooms with the master stateroom featuring a large double berth, a private head compartment and two hanging lockers. The forward stateroom has a V-berth and plenty of storage space.

The forward head compartment is equipped with separate stall shower. In the spacious salon, you'll find a convertible sofa/double berth and a hi-lo drop leaf table. Up on the bridge, there's seating for five and full console instrumentation.

## SPECIFICATIONS

LOH	32'0"
Standard LOA	32'0"
Maximum LOA	35'11"
Beam	11'7"
Draft	34"
Bridge Clearance	11'6"
Deadrise at Transom	9½°
Dry Weight (approx.)	12,000 lb.
Cabin Headroom	6'3"
Sleeping Capacity	6
Fuel System Capacity	182 gal.
Water System	84 gal.
Waste Capacity	20 gal.

## UNDERWATER GEAR

Propeller Shafts	1¼" dia SS
Rudders	Bronze with 1¼" SS shafts
Struts	Heavy-duty bronze alloy

# Carver 32 Aft Cabin

## STANDARD EQUIPMENT

### Exterior

Bottom paint, anti-fouling  
Welded SS bow, aft deck, bridge rails  
SS deck hardware, including four 10" cleats, four springline cleats and rope deck pipe  
Command bridge includes control console, venturi windshield, pedestal/swivel seats and bench seat  
Teleflex console instrumentation includes back-lighted fuel and oil pressure gauges, tachometer, voltmeter and temperature gauges  
Fully weather-sealed windows, deck hatch include screens  
Navigation lights (NMMA approved)  
Anti-skid fiberglass decks  
Aft deck plexiglass weather shield  
Windshield weather covers

### Propulsion

Twin inboard - gas  
350 CID Crusader  
5.7L MerCruiser  
231 Volvo  
Twin inboard - diesel  
TAMD 41 Volvo

### Design

The Carver 32 running bottom incorporates a modified V design. The forward stem allows for buoyancy, yet provides sharpness to cut rough water for a soft ride. Four lifting strakes and wide, hard chines provide lift and comforting stability. Aft, the hull decreases in degree of "V", providing efficient, fuel-saving performance. Superior low-speed tracking performance develops from the short keel that extends from the forward stem aft to the propeller shaft stuffing boxes.

Waterline length \_\_\_\_\_ 28'1"  
Waterline beam at transom \_\_\_\_\_ 10'3"  
Freeboard aft \_\_\_\_\_ 42½"  
Freeboard forward \_\_\_\_\_ 58¼"

### Construction

Hull construction begins with a fully cured gel coat of 18 mil. thickness. Hand layup method of construction guarantees the proper fiberglass to resin ratio, assuring consistent laminate strength throughout. The hull is made up of several carefully applied layers of 1½ oz. random strand mat and 24 oz. woven roving fiberglass. Generous overlap of these layers in the keel and chines increases hull strength, impact resistance and overall structural integrity.

Superstructure and deck surfaces are fiberglass-reinforced with ¾" end grain balsa; and ¾" plywood is used in areas of hardware construction. The deck is firmly secured to the hull by fiberglass adhesive and SS screws, and sealed by a heavy gunwale molding.

Every Carver boat is thoroughly inspected at each step of the construction process to guarantee it meets our demanding, high-quality standards.

## Galley and Head Compartments

Pressurized 84 gal. hot/cold water system  
12 gal. water heater  
Princess electric 3-burner stove  
Norcold dual voltage refrigerator  
Convenient vanity with SS sink, pressure water, and mirror  
Forced air exhaust ventilation  
Fiberglass stall shower with bi-fold door  
Two marine heads with 20 gal. holding tank

## Functional/Safety

Windows, lightly tinted, with screens  
Two automatic, electric bilge pumps  
Gravity bilge ventilation  
Electric single-trumpet air horn  
Bennett electric/hydraulic trim tabs  
Fireboy Halon fire extinguisher system  
Carbon monoxide monitoring system  
Shipping cradle  
Galvanic isolator

## Electrical

Two marine-quality batteries with cold-cranking amperage of 405 each (reserve capacity 153 minutes)  
Dockside wiring, 30 amp, 120 VAC with a 50 ft. shore cable  
Cabin lighting, 12V  
U.S. Coast Guard-approved navigation and anchor lights  
Voltmeter/ammeter kit

## Interior

Aft stateroom with double berth  
75" x 58" port berth  
Salon has more than 67 sq. ft. useable space  
Sofa converts to a double berth  
V-berth in forward stateroom  
8.71 cu. ft. storage space in forward stateroom  
25.15 cu. ft. storage space in aft stateroom  
Color-coordinated carpeting, draperies and upholstery  
Plush, stain- and soil-resistant 100% nylon carpeting  
Fully lined 100% cotton drapes protected by Scotchguard

## OPTIONAL EQUIPMENT

### Helm Equipment

Lower station helm and controls  
Engine synchronizer  
5" or 7" spotlight - electric remote control  
Cigar lighter  
Compass  
Engine hour meters  
Dual-trumpet horn

### Galley and Interior

Princess 3-burner electric stove with microwave oven  
Propane stove with oven  
Shore water adaptor  
Maxxima cassette stereo with AM/FM radio  
Air conditioning with reverse cycle heat  
Water tank monitor gauge

Heat exchanger  
Decorator pillows  
Salon chair  
Galley blender  
Mini blinds  
Linen package

## Weather Covers

Bimini top  
Bimini top enclosure  
Bridge cover

## Heads

Raritan crown electric heads  
Raritan electric flow-thru heads  
Overboard discharge for head (coastal markets only)

## Electrical

6.5 KW Kohler generator  
Dual-dockside, 120V-30A  
20 amp battery charging system  
Two heavy-duty batteries  
30 amp dockside adaptors

## Exterior

Fiberglass swim platform with ladder  
Fiberglass bow pulpit  
4 lb. fire extinguisher  
Fender racks  
Cockpit carpeting  
Heavy-duty gunwale molding  
Cockpit washdown  
Windlass

## Propulsion

Engine fresh water cooling  
Fuel tank selector valves  
Spare props and shaft  
Strainers
