

32

Convertible

Although designed with an offshore fishing capability, the 32 Convertible easily accommodates six adults in plush cruising comfort. The cruising accommodations include twin private staterooms, a complete galley with double-door refrigerator, head compartment with separate stall shower and an

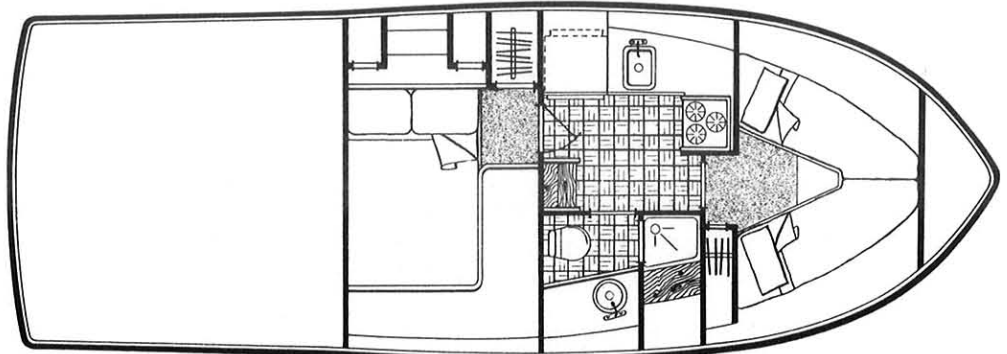

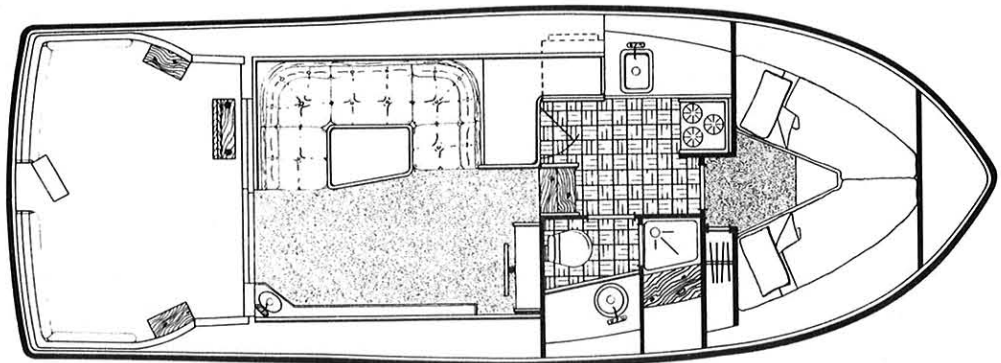

entertainment salon with dinette/lounge and wet bar. The Convertible also offers a 60 sq. ft. self-bailing cockpit with a convenient transom door. The bridge comfortably seats five and features a command console with full instrumentation.

SPECIFICATIONS

| | |
|----------------------|------------|
| LOH | 32'0" |
| Standard LOA | 32'0" |
| Maximum LOA | 36'0" |
| Beam | 11'7" |
| Draft | 34" |
| Bridge Clearance | 11'6" |
| Deadrise at Transom | 9° |
| Dry Weight (approx.) | 12,600 lb. |
| Cabin Headroom | 6'3" |
| Sleeping Capacity | 6 |
| Fuel System Capacity | 220 gal. |
| Water System | 84 gal. |
| Waste Capacity | 20 gal. |

UNDERWATER GEAR

| | |
|------------------|---------------------------|
| Propeller Shafts | 1¼" dia SS |

| Struts | Heavy-duty bronze alloy |

Mid-Cabin Configuration

Carver 32 Convertible

STANDARD EQUIPMENT

Exterior

6'0" x 9'6" cockpit, includes transom door, storage and engine access hatch
Bottom paint, anti-fouling
Welded SS bow and bridge rails
SS deck hardware, including four 10" cleats, four springline cleats and rope deck pipe
Command bridge includes control console, venturi windshield, pedestal/swivel seats, bench seat and storage
Teleflex console instrumentation includes back-lighted fuel and oil pressure gauges, tachometer, voltmeter and temperature gauges
Fully weather-sealed deck hatch includes screen
Navigation lights (NMMA approved)
Anti-skid fiberglass decks
Windshield weather cover

Propulsion

Twin V-drive inboard - gas
350 CID Crusader
5.7L MerCruiser
231 Volvo

Design

The Carver 32 running bottom incorporates a modified V design. The forward stem allows for buoyancy, yet provides sharpness to cut rough water for a soft ride. Four lifting strakes and wide, hard chines provide lift and comforting stability. Aft, the hull decreases in degree of "V", providing efficient, fuel-saving performance. Superior low-speed tracking performance develops from the short keel that extends from the forward stem aft to the propeller shaft stuffing boxes.

Waterline length _____ 28'1"
Waterline beam at transom _____ 10'3"
Freeboard aft _____ 41"
Freeboard forward _____ 59"

Construction

Hull construction begins with a fully cured gel coat of 18 mil. thickness. Hand layup method of construction guarantees the proper fiberglass to resin ratio, assuring consistent laminate strength throughout. The hull is made up of several carefully applied layers of 1½ oz. random strand mat and 24 oz. woven roving fiberglass. Generous overlap of these layers in the keel and chines increases hull strength, impact resistance and overall structural integrity.

Superstructure and deck surfaces are fiberglass reinforced with ¾" end grain balsa; and ¾" plywood is used in areas of hardware installation. The deck is firmly secured to the hull by a heavy gunwale molding.

Every Carver boat is thoroughly inspected at each step of the construction process to guarantee it meets our demanding, high-quality standards.

Galley and Head Compartments

Pressurized 84 gal. hot/cold water system
12 gal. water heater
Princess electric 3-burner stove with oven/broiler

Norcold dual-voltage refrigerator
Convenient vanity with pressure water, SS sink and mirror
Forced air exhaust ventilation in head compartment
Fiberglass stall shower with bi-fold door
Marine head with 20 gal. holding tank

Functional/Safety

Windows, lightly tinted, with screens
Two automatic, electric bilge pumps
Gravity bilge ventilation
Electric single-trumpet horn
Bennett electric/hydraulic trim tabs
Carbon monoxide monitoring system
Shipping cradle
Fireboy Halon fire extinguisher system
Galvanic isolator

Electrical

Two marine-quality batteries with cold-cranking amperage of 405 (reserve capacity 153 minutes)
Dockside wiring, 30 amp, 120 VAC with a 50 ft. shore cable
Cabin lighting, 12V
U.S. Coast Guard-approved navigation and anchor lights
Voltmeter/ammeter kit

Interior

Salon with large dinette/lounge that converts to a 43" x 72" double berth
Wet bar
Midship stateroom
75" x 48" double berth
Mirrored hanging locker and locker storage
21.77 cu. ft. total storage
V-berth in forward stateroom
Color-coordinated carpeting, draperies and upholstery
Plush, stain- and soil-resistant 100% nylon carpeting
Fully lined 100% cotton drapes protected by Scotchguard

OPTIONAL EQUIPMENT

Helm Equipment

Lower station helm and controls
Engine synchronizer
5" or 7" spotlight - electric remote control
Cigar lighter
Compass
Engine hour meters
Dual-trumpet horn

Galley and Interior

Icemaker
Princess 3-burner electric stove with microwave oven
Propane stove with oven
Blender
Shore water adaptor
Maxxima cassette stereo with AM/FM radio
Air conditioning with reverse cycle heat
Water tank monitor gauge
Heat exchanger
Decorator pillows
Mini blinds

Weather Covers

Bimini top
Bimini top enclosure
Bridge cover
Aft deck sunshade

Heads

Raritan crown electric head
Raritan electric flow-thru head
Overboard discharge for head (coastal markets only)

Electrical

6.5 KW Kohler generator
Dual-dockside, 120V-30A
20 amp battery charging system
Two heavy-duty batteries
30 amp dockside adaptor(s)

Exterior

Cockpit pressure washdown
Electric windlass
Fiberglass swim platform with ladder
Fiberglass bow pulpit
4 lb. fire extinguisher
Fender racks
Cockpit and bridge carpeting
Heavy-duty gunwale molding

Propulsion

Engine fresh water cooling
Fuel tank selector valves
Spare props and shaft
Strainers
