The Carver 27 Santego combines amazing liveability with the sleek styling of a 27' cruiser. The Santego offers double cabin privacy with more sleeping room than any other boat in its class. The roomy cabin features a dinette/lounge that converts to a double berth, bringing the sleeping capacity to six. Topside, the bridge comfortably seats five adults. Foredeck sun lounges, bow pulpit and swim platform add to the standard amenities.

The layout of the Carver 28 Riviera Aft Cabin puts the emphasis on living space. The private stateroom aft offers both a single and double berth, as well as vanity and double hanging locker. Forward, the main cabin features a spacious U-shaped lounge with a convertible dinette/berth and a fully equipped galley. For open-air entertaining, the 28's large cockpit has a custom dry bar, raised lounge seating for 360° visibility and a second dinette that easily converts to a berth.

STANDARD EQUIPMENT

Exterior
Welded 35 bow rail and safety rails with 36 slat
Two fixed deck bollards
Navigation lights (NAPA approved)
Teleflex console instrumentation includes backlit fuel and oil pressure gauges, tachometer, trim gauge, and water temperature
Advance helm seat
Cockpit lounge
SeaDek seats on helm seat
SS deck hardware, including fixed boarding mug, bar, two 8" spring cups and two 18" stem cleats
Fiberglass bow pulpit
Anti-skid fiberglass decks
Fiberglass winch platform with ladder
Twin floater隆guns
Ventura windshield

Propulsion
Single 275 Volvo D20 Proo stern drive
Three 375 MerCruiser stern drive
Two 585 MerCruiser stern drive
Two 265 Volvo stern drives
Three AQG31 Volvo D20 Proo diesel stern drive
Performance data*: with Twin 375 MerCruiser stern drives. Graining speed at 3000 rpm, 28.5 to 22.5 mph CW 700 to 257 mph

Design
The Carver 27 router running function incorporates a modified V-hull style design that features a sharp entry at the stern (forward) which runs smoothly for a full 60 degrees. The hull's sweeping deadrise angle of 6 degrees provides the boat with excellent hull efficiency, and the hull is designed to provide a extremely low speed ride.

Interior
Dinette lounge converts to double bunks.
Private master stateroom with double berth and 60" x 80" headroom
Twin V-berths
Color-coordinated carpeting, draperies and upholstery
Fresh, salt and soil-resistant 100% nylon carpeting
Fully lined 100% cotton draperies protected by Scotchgard

SELECTED OPTIONS

5" or 7" color display - electronic remote control
Bennett electric hydraulic trim tabs
Electric dual-trap horn
Compases
Engine hour meters
Spectacles for two gas engines
Cigarette lighter

Galley and Interior
Napoleon dual-voltage refrigerator
Princess recessed 12 volt electric stove
Korona recessed stove tops
Corning ceramic with Avon AM/FM radio
Air conditioning with reverse cycle heater

Weather Covers
Premium top with hood
Bagged top with full enclosure

Heads
Electric head
Kobert electric head

Galley and Head Compartment
Pressurized 4 gal. hot/cold water system
2 burner recessed alcohol stove
Upright ice chest
Fully insulated freshwater tank
Overboard discharge for head (coastal markets only)

Electrical
Two heavy-duty batteries (500 or 600 cranking amps)
20 amp battery charging system
Dual distributive 12/24 V power distribution
12 amp distribution board with circuit breakers
Emergency led lighting

Functional/Safety
Windows, lightly tinted, with screens
Automatic, electric bilge pumps
Granny bilge ventilation
Dual stainless steel ladders
Fire extinguisher
Cockpit storage
Drain plugs
Fire extinguishers

Propulsion
Twin 305 CD Crusader inboards, 305 hp cu. in.
GM block, balance carbureted
Propellers, 17" x 11" Duo Quad
Twin 585 MerCruiser inboards, 305 hp cu. in.
GM block, balance carbureted
Propellers, 18" x 11" Duo Quad
Twin TAMD 51 Volvo diesel inboards
Performance data*: with Twin 585 MerCruiser inboards
Cruising speed at 3000 rpm, 23 to 25 mph
Wide open throttle: 32.5 to 34.5 mph

Design
The Carver 28 Incorporates a modified V-hull running bottom. The forward section uses a sharp, full 60-degree water entry for a smooth ride. Lift and stability are accomplished by a polygonal design, which includes 60-degree water entry and a flat foredeck.

Interior
All galley and head sections are located in a limited area. See your dealer for complete specifications.

SELECTED OPTIONS

Helm Equipment
Engine synchro
5" or 7" color display - electronic remote control
Bennett electric hydraulic trim tabs
Cigarette lighter

Galley and Interior
Napoleon dual-voltage refrigerator
Princess recessed 12 volt electric stove
Korona recessed stove tops
Corning ceramic with Avon AM/FM radio
Air conditioning with reverse cycle heater
