The Carver 26 Santa Cruz provides plush comfort in a trailerable cruiser. Its roomy cabin is designed for all-around seated visibility. Dual station controls allow navigation from either bridge or cabin. The forward V-berth, convertible dinette/double berth, large galley with refrigerator and pressure water, and private head compartment with hot water shower make the Santa Cruz perfect for overnight family cruises. Its cockpit has over 40 sq. ft. of space, and the walk-around side decks give easy access to the foredeck. Swim platform and bridge cover are also standard.
