The Carver 36 Aft Cabin is one of the finest power pleasure crafts in its class. The versatile design, quality craftsmanship, and proven performance reflect Carver’s commitment to building the best. “Come aboard” and inspect our craft. You’ll appreciate what sets the 36 Aft Cabin apart from the rest.

**PROFILE**

The 36 Aft Cabin offers a unique cruising design with luxury stateroom accommodations. The master stateroom features a queen-size berth, private head with tub/shower and live-aboard storage. Amidship, two floor plan selections allow salon, galley and dinette arrangements to fit your personal needs. The guest stateroom forward includes a private head with shower. Topside, the aft deck provides a large entertainment area. The spacious command bridge comfortably seats six adults and includes a convertible sun lounge.

- **Length:** 35’ 7”
- **Beam:** 12’ 6”
- **Draft:** 3’ 8”
- **Bridge Clearance:** 11’ 9”
- **Displacement:** 18,500 lb
- **Cabin: Headroom:** 7’ 6”
- **Sleeping Capacity:** Plan A: 8; Plan B: 6
- **Fuel System Capacity:** 240 gal
- **Water System:** 112 gal
- **Underwater Gear:** Propeller struts: 1” dia SS Rudder: Bronze w/1/4 SS struts; Struts (2/strut): Heavy duty bronze alloy

**CONSTRUCTION**

Hull construction of the 36 Aft Cabin begins with a fully cured gel coat of 15 mil thickness. Carver craftsmen then use the hand layup method of hull construction. Each layer of fiberglass is carefully applied to assure proper resin saturation and consistent thickness. This procedure guarantees the proper fiberglass to resin ratio assuring consistent laminate strength throughout. The hull consists of several carefully applied layers of 11 oz. random strand mat and 24 oz. woven roving fiberglass. Generous overlap of these layers in the keel and chines increases hull strength, impact resistance and overall structural integrity.

The fiberglass hull is strongly reinforced with an extensive network of longitudinal and internal stringers. They are bonded to the hull by 24 oz. woven roving fiberglass. A strong fiberglass liner provides additional structural support to the bow section, bonding the forward stringers and engine room bulkhead in place.

Superstructure and deck surfaces are fiberglass reinforced with ¾” and grain balsa and plywood encapsulated within the fiberglass laminate to ensure the exclusion of moisture. The deck is firmly secured to the hull by fiberglass adhesive and stainless steel screws and sealed by a heavy stainless steel/valve guillotine molding.

Every Carver boat is carefully inspected many times during the construction process. We thoroughly inspect every step to guarantee each boat meets our high standards of construction.

**PROPELLION**

The Carver 36 Aft Cabin features a choice of engines: the twin model 350 Crusader inboard or the twin model 340 Mercruiser inboards. The propulsion system incorporates 2.5:1 reduction gears, 1” stainless steel shafts with large 22” x 22” four blade propellers.

Cruising speed at 3000 rpm is 18.4 mph. Top speed is 30 mph. Specifications for diesel propulsion are available from your Carver dealer.

**STANDARD FEATURES OF THE CARVER 36 AFT CABIN**

A brief tour demonstrates the many standard features of the Carver 36 Aft Cabin. Let’s start on the bridge. The slide/safraiid pilot seat provides an unobstructed view and easy access to the control console. Conside instrumentation includes backlit-fueled, oil and temperature gauges, tacho-meters and voltmeter. The forward bridge bench seat converts into a sun lounge. The total bridge storage is 55.5 cu. ft.

The skid resistant decks are completely surrounded by welded stainless steel bow rail and safety rails. All deck hardware, including 4 - 10” cleats, 4 - springline cleats and rope deck pipe, is stainless steel. Windows, dock hitches and cabin ports are fully weather sealed and included screens.

Below, the forward stateroom has 74” of headroom. It features a large 76” long V-berth with seat and 6.74 cu. ft. of underbed storage. The forward head compartment contains a hot/cold shower, marine head with 30 gallon holding tank and full mirrored vanity complete with stainless steel sink. Vanity storage is 4 cu. ft. with an additional 12 cu. ft. of hanging locker storage.

The spacious aft stateroom has a large double berth, steamed vanity with mirror and 53.8 cu. ft. of cabinet and hanging storage. The aft head compartment contains a shower/bathtub combination with curtain, marine head with 40 gallon holding tank, and full mirrored vanity complete with stainless steel sink. An electric blowers provides ventilation. The pressurized 112 gallon hot/cold water system serves showers, sink and the galley. The galley’s spacious counter top is equipped with sea rails and contains a deep dual basin stainless steel sink. The Princess 3-burner stove/oven is standard. The Norcold double door refrigerator/freezer features 3 removable shelves, in-door storage, crisper and a 40 lb. freezer. This unit operates on 12 volt or 110 volt power.
The Carver 36 Alt Cabin has two salon floor plans to choose from. Plan A features sleeping accommodations for eight with a dinette that converts to a large double berth. The spacious salon has a double sleeper sofa, dry bar and barrel chair. Floor Plan B sleeps six and features a raised/lounge offering full seated cruising visibility for five. The dinette/lounge converts to a large double berth. The interior decor includes a choice of colors. The fully lined drapes are 100% cotton with Scotchgard protection. The plush 100% nylon carpet is stain and soil resistant.

The Carver 36 Alt Cabin's navigation and anchor lights exceed U.S. Coast Guard standards. Cabin lighting is 12 volt with courtesy lights on the bridge and aft deck. 110 volt receptacles are located throughout. Dockside wiring is 115 volt, 30 amps with a 50 foot shore cable.

Now that you have taken the time and care to learn about our product, we feel that you will want to experience it as well. We recommend that you visit your Carver dealer or tour our production facilities in Pulaski, WI, for a thorough inspection of the Carver 36 Alt Cabin.
