

3007 AFT CABIN

1/4" = 2 Feet

The privacy and comfort are primary features of the 30' Aft Cabin and have helped it gain a well-deserved reputation as the perfect boat for any occasion. Two private staterooms and a comfortable salon trimmed in solid teak create that special atmosphere associated with cruising in style and comfort.

This unique 30-footer features an aft cabin with over 6' of headroom and 5 screened portlights adding to an appearance of spaciousness. The well-appointed salon with convertible lounge opens to a fully-equipped galley with all the features needed to prepare a snack or a full-course dinner.

Ample space for 5 on the bridge, a spacious forward cabin with two 7' berths and an enclosed head with fiberglass shower stall and vanity make this a one-of-a-kind cruiser that you can be proud of for years to come.
