Carver Yachts

See The Difference.
**Standard Features**

**Construction**
- Hull, deck & superstructure: Hand-laid structural and non-structural fiberglass and core laminates bonded with infused resin.
- Hull bottom: Surface beneath the water line is sand blasted to create an optimal bonding surface for the anti-fouling paint. Sea Hawk® brand anti-fouling paint is sprayed onto the hull to create a smooth running bottom.
- Stringer system: Fiberglass stringers are used throughout the yacht.
- Interior bulkheads, cabinets and drawers precision cut, hand crafted cabinets constructed from a selection of woods and high pressure laminates. Drawers are lined with laminate.
- Integral aluminum truss reinforcement in cabintop structure.

**Electrical**
- 12V System: Powered by an array of Series 31 12V batteries. Array includes two dedicated engine starting batteries and one dedicated “house” battery. Battery banks are charged by a 60 amp charger for each bank. System ammeters are located on the ship’s 12V distribution panel and voltmeters at the helm station. Battery on/off switch for the house battery is installed in the salon and the selector switch for engine batteries is located in the engine compartment.
- 110V System: System consists of a 30 amp service supported by Marinco® 50’ (15.2 m) shore power cord. Ground fault circuit interrupters are incorporated into the onboard system.
- Television: Cable television is supported by onboard inlets in the salon and master stateroom and a 50’ (15.2 m) cable to connect to shore outlet.

**Propulsion**
- Engines: Twin Mercury® 6.2 L gas 350HP inboard engines with direct coupled v-drives. Each engine’s exhaust is routed to a Hydralift muffler and underwater exhaust port.
- Shafts and shaft logs: Aquamet® 1.5in (3.8 cm) diameter stainless steel propeller shafts. Tides Marine® SureSeal shaft logs are self-aligning, dripless and maintenance free. Sacrificial anodes are installed on each shaft.
- Rudders and propeller struts: Made from durable 421 Manganese bronze.
- Propellers: 20” (51 cm), four blade, Nibral propellers.
- Fuel tanks: Twin, 5052 aluminum tanks hold 125 gal. (473 L) of fuel each. Port and starboard fuel fill deck fittings.
- Trim tabs: Bennett Marine® 22” x 12” (56 x 30 cm) stainless steel, electro-hydraulic trim tabs.
- Steering: Teleflex® SeaStar hydraulic steering.
- Helm display: Digital LCD display showing tachometer, hour meter, oil pressure, coolant temperature, battery voltage, fuel tank level and rudder angle indicator.

**Fresh Water & Holding Systems**
- Fresh water system: One 90 gal. (341 L) polyethylene tank with shore water connection and integrated pressure reduction valve.
- Fresh water fill fitting installed on walkway. Six gal. (23 L) water heater installed in engine compartment.
- On demand fresh water is delivered via a fresh water pump installed in the engine compartment.
- An on-demand sump pump is utilized for the shower.
- Holding tank system: Forty gal. (151L) polyethylene tank is utilized with a dockside pump out fitting on walkway of vessel.

**Decks & Hardware**
- Rails: 1” (2.5 cm) 316 stainless steel rails are used throughout the vessel. Rail stanchion bases are secured using aluminum backing plates laminated into the deck’s fiberglass layup.
- Mooring cleats: 10in (25 cm) mooring cleats are used at the bow, stern and amidship (total of seven cleats). Cleats are secured using aluminum backing plates fused into the vessel’s laminate.
- Foredeck access: Wide walkways are on each side of the cabin top and provide safe, secure access from the cockpit to the foredeck.
- Foredeck hatch with screen.

**Safety & Navigation**
- Bilge pumps: Two 1,500 gal.
- (5678 L) per hour automatic bilge pumps are installed, each with a manual on/off switch at the helm. A float switch for the high bilge water alarm is installed in the engine compartment.
- Bilge ventilation: Four ventilator blowers are installed in the engine compartment. Each blower creates 240 CFM volume.
- CO alarms: Monitors with alarms are installed in both staterooms and the salon.
- Engine alarms: Engine oil pressure and water temperature alarms are installed at the helm.
- Fire suppression system: An FE241 Fireboy® automatic fire suppression system is installed in the engine compartment.
- Compass: 4.5” flush mount, illuminated Richie® Navigator compass is mounted at the helm.
- Seacocks: Marine grade bronze seacocks are used on all below the waterline thru hulls. Nylon fittings are used on above the waterline outlets.

**Command Bridge**
- Air deflector: Plexiglass® wind deflector is installed on the leading edge of the command bridge.
- Courtesy lights: Three recessed 12V courtesy lights are installed on the command bridge.
- USB outlet.
- Armrest with stainless steel cup holder.

**Cockpit / Transom / Swim Deck**
- Swim platform: Integrated into the yacht’s hull and deck. Access to the cockpit from the swim platform is through a transom door on the starboard side of the yacht. Telescoping boarding ladder is installed in recessed area of swim platform.
- Transom: Stainless steel handrail on top of transom. Two storage lockers in aft surface of transom.
- Engine compartment access: Hinged cockpit floor hatch with gas shock cylinder.
- Courtesy lights: Four cockpit courtesy lights with on/off switch.
- Storage: Storage locker below the bottom step to the command bridge.
Standard features (cont.)

Salon
- Entertainment: 24" LCD Television, Blu-Ray DVD player, AM/FM/CD marine quality stereo with speakers.
- Lighting: Eight LED lights are recessed into the salon headliner. Controlled by a rocker switch.
- Seating: U-shaped upholstered lounge with storage underneath seating. Dining height table.
- Ventilation: Salon windows slide open.
- Storage: Hinged door on salon floor provides access to storage compartment.
- Flooring: Plush pile 100% nylon carpeting throughout salon.

Galley
- Counter tops: Solid surface countertops throughout.
- Flooring: Vinyl plank flooring.
- Appliances: Dometic® 3.8 CF (14,3 L) refrigerator, microwave oven, two burner electric cooktop.
- Sink: Full-size stainless steel sink.
- Lighting: Five recessed LED lights over galley counter controlled by rocker light switch.
- 110V Outlet: GFI protected

Master Stateroom
- Sleeping: Queen-size, island berth with Comfort Foam mattress. Dual end tables and halogen sconce style reading lights.
- Privacy: Master stateroom is secured with a hinged wooden door and locking door latch.
- Storage: Port and starboard overhead lockers. Port and starboard hanging lockers.
- Ventilation: Opening overhead hatch with screen.
- Lighting: Natural light provided by overhead hatch and hull windows with blinds. Six overhead 12V lights recessed in the headliner and controlled by a rocker switch. Two sconce reading lights.
- Flooring: Plush pile 100% nylon carpeting throughout.
- Towel and sheet set.

Guest Stateroom
- Sleeping: Twin berths with Comfort Foam mattresses.
- Flooring: Plush pile 100% nylon carpeting throughout.
- Privacy: Guest stateroom is secured with a hinged wooden door and locking door latch.
- Lighting: Illumination is provided by three recessed overhead LED lights controlled by a rocker switch. Two bedside reading lights. Natural light provided by hull portlight.

Head Compartment
- Shower: Fiberglass stall shower with bench seat and hinged aluminum and acrylic door. Shower head can be used as a hand shower. Sump drain with automatic pump. Exhaust fan. LED overhead light. Molded non-skid floor.
- Toilet: Electric pedestal toilet with freshwater flush.
- Vanity: Vanity is equipped with vessel sink, under sink storage, solid surface counter top, mirrored medicine cabinet.
- Lighting: Two LED lights recessed in the headliner and controlled by wall mounted rocker switch.
- Electrical: 110V GFI protected outlet.

OWNER PREFERENCES

Propulsion
- Volvo D4 EVC 300 hp diesel engine.
- Yanmar 8LV 320 hp diesel engine.

Mechanical
- Bow and stern thruster with single lever control.
- Bow thruster.
- Engine oil change system.

Electrical
- Air conditioning – 25,000 BTU (Requires 7.0 KW generator or larger).
- Kohler 7.0 KW diesel – 50 HZ generator, 230V 30.4 amps.
- Kohler 7.5 KW gas – 60 HZ generator, 120V 62.5 amps.
- Kohler 9.0 KW diesel – 60 HZ generator, 120V 75 amps.
- Westerbeke 5.2 KW gas – 50 HZ generator, 230V 22.6 amps.
- Westerbeke 8.0 KW diesel – 60 HZ generator, 120V 66.6 amps.

Water & Waste Systems
- Grey water holding system.
- Overboard discharge.
- Transom washdown – fresh and seawater.
- Transom washdown – seawater only.
- Water and waste monitor.

Safety & Navigation
- Electronics arch.
- Fender racks.
- Garmin autopilot.
- Garmin bridge and lower navigation and radar package 12”.
- Garmin bridge and lower navigation package 12”.
- Garmin bridge navigation and radar package 12”.
- Garmin bridge navigation package 12”.
- Radar mast.
- Raymarine Axiom bridge and lower navigation plus radar package – radar, chartplotter, GPS, sonar, VHF/hailer.
- Raymarine Axiom bridge and lower station navigation electronics package – chartplotter, GPS, sonar, VHF/hailer.
- Raymarine Axiom bridge navigation electronics and radar package – radar, chartplotter, GPS, sonar, VHF/hailer.
- Raymarine Axiom bridge navigation electronics package – chartplotter, GPS, sonar, VHF/hailer.
- Raymarine autopilot.
- Ground tackle includes Prince 1000 windlass, anchor, chain, shackle and line with snap hook.
- Ground tackle includes Prince 1000 windlass with capstan, anchor, chain, shackle and line with snap hook.
- Stainless steel anchor.
Owner Preferences (cont.)

**Interior**
- Carpet runner.
- Decorator pillows.
- Lower helm station.
- Master stateroom TV & DVD.
- Salon audio upgrade.
- Salon blinds.
- Salon laminate wood flooring.
- Lower level laminate wood flooring.

**Exterior**
- Bimini top canvas.
- Bimini top canvas with full enclosure.
- Bridge cover.
- Bridge helm and seat covers.
- Bridge stereo.
- Cockpit icemaker (not available with cockpit refrigerator).
- Cockpit refrigerator (not available with cockpit icemaker).
- Cockpit seating.
- Colored hull upgrade: Sterling Taupe, Carbon Black, Mariana Blue or Anthracite Grey.
- Dual station spotlight.
- Exterior carpet for bridge and cockpit.
- Exterior teak table with cover.
- Exterior vinyl color.
- Foredeck sunpad with cover.
- Passerelle – mounting reinforcements only.
- Salon door screen.
- Transom handshower.
- Transom underwater lighting.

**Miscellaneous**
- Sailaway package – required with water delivery.
- European Certification.
